8I Holdings Limited (ASX:8IH)

Completion of Acquisition of Hemus Pacific

30 January 2015 Singapore

8I Holdings (ASX:8IH) (“the Company”) advises that it has completed the acquisition of 51% of Hemus Pacific Private Limited (“Hemus”) for S\$2,448,000.

Hemus is a successful property and events management business that has been operating in Singapore since 2005, with audited FY2013 revenue in excess of S\$4,500,000.

The acquisition of Hemus will provide the Company with access to retail properties and events operated by Hemus. These properties are typically located in retail shopping centres and mass transit interchanges with very high foot traffic. The company specialises in operating promotional events in these locations, which can be synergised to provide 8IH with ongoing opportunities to attract enrolments for its financial education seminars and courses.

Hemus operates as a master property manager for many locations in mass transit terminals and has close working relationships with SBST and SMRT. The Company anticipates that relationships with these clients will provide 8IH with access to future property co-development and investment opportunities with prominent real estate owners and developers.
