### **Directors' Report**

The Directors of Naracoota Resources Limited submit herewith the financial report for the half-year ended 31 December 2014. In order to comply with the provisions of the Corporations Act 2001, the Directors' report is as follows:

The names of the Directors of the Company who have held office during and since the end of the half-year are:

#### Non-Executive Directors

Mr George Cameron-Dow Mr Christian Cordier Dr Eric Lilford Mr Gavin Wates

#### **Principal activities**

The principal activities of the Company during the interim period were exploration and evaluation of mineral interests.

#### Results

The net loss after income tax of the Company for the interim period was \$140,551 (2013: \$192,041 loss).

#### **Review of operations**

During the interim period the Company engaged consultants to complete a soil sampling campaign over P52/1213. P52/1213 is a granted Prospecting Licence covering 160 ha situated approximately 140km NW of Meekatharra. It is planned to further review the results from this sampling campaign early in 2015.

The Company is actively pursuing new project acquisition opportunities and the projects reviewed during the period under review have not been limited to mineral exploration projects.

Other than the exploration and corporate activities as detailed in the reports released to the market, there have been no other significant operations by the Company during the six months to 31 December 2014.

The Company, being mindful of the current lack of support for junior natural resources explorers from Australian equity markets, has continued its focus on cost management in the interest of preserving cash and consequently maintains a robust cash balance of \$3.89m.

#### Auditor's independence declaration

The auditor's independence declaration is included on page 4 for the six months ended 31 December 2014.

Signed in accordance with a resolution of Directors.

#### INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF NARACOOTA RESOURCES LIMITED

#### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Naracoota Resources Limited, which comprises the statement of financial position as at 31 December 2014, statement of profit or loss and other comprehensive income, statement of changes in equity, and statement of cash flows for the half-year ended on that date, condensed notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of Naracoota Resources Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standards on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the Company's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Naracoota Resources Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Whilst we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by the directors or management.

#### Stantons International

#### Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been provided to the directors of Naracoota Resources Limited on 18 February 2015.

#### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Naracoota Resources Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Company's financial position as at 31 December 2014 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

This interim financial report is intended to provide users with an update on the latest annual financial statements of the Company. The condensed interim financial report does not include all of the information required for a full annual financial report, and should be read in conjunction with the annual financial report of the Company as at and for the year ended 30 June 2014 and any public announcements made by the Company during its interim reporting period.

The interim financial report was approved by the Board of Directors on 18 February 2015.

#### 3. Statement of significant accounting policies

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the Company's 2014 annual financial report for the financial year ended 30 June 2014. #### 4. Basis of preparation

The interim report has been prepared on the going concern basis. The Directors are of the opinion that the going concern basis is appropriate as the Company expects to be in a position to meet its cash requirements for the next 12 months.

#### 5. Estimates

The preparation of interim financial reports requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim financial report, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial report as at and for the year ended 30 June 2014.

The Company operates predominantly in the mineral exploration industry in Australia. For management purposes, the Company is organised into one main operating segment which involves the exploration of minerals in Western Australia. All of the Company's activities are interrelated and discrete financial information is reported to the Board (Chief Operating Decision Maker) as a single segment. Accordingly, all significant operating decisions are based upon analysis of the Company as one segment. The financial results from this segment are equivalent to the financial statements of the Company as a whole.
