The agreement has been renewed under materially similar terms and conditions.

The relationship with UMass Dartmouth was established in 2010 and has provided many benefits for students, the University and Navitas.

"Our partnership with the University of Massachusetts Dartmouth has been critical to our growth in the US and has delivered significant opportunities for international students," said Navitas Group Chief Executive Officer, Rod Jones.

"We are delighted to be extending our relationship with the University and look forward to supporting many more students to successfully achieve their academic goals at UMass Dartmouth."

UMass Dartmouth Provost & Executive Vice Chancellor Mohammad Karim said UMass Dartmouth is pleased with the renewal of the partnership agreement with Navitas.

"We see it playing a pivotal role in the internationalization of the University. By now we have a gorgeous facility in Fall River downtown to facilitate progression of Navitas students; it will allow our international students to have an immersive and authentic American experience."
