

# DJ CARMICHAEL RESEARCH UPDATE

Lead manager for RXH IPO releases Emerging ASX Technology Sector research book featuring Rewardle Holdings

## Research available at [www.rewardleholdings.com](http://www.rewardleholdings.com)

The DJ Carmichael Emerging ASX Technology Sector research book is a comprehensive coverage of the ASX technology space and the companies DJC has been actively involved with including an update on Rewardle to compliment the initial research conducted in following the Company's listing.

A copy of the previous and current research is available for download from the Company website: <http://www.rewardleholdings.com/research/>

## ABOUT REWARDLE HOLDINGS LIMITED

### ASX: RXH

Rewardle Holdings Limited (Rewardle) is a marketing technology service provider to local SME merchants, small to medium size chains and Enterprise clients.

As technology changes how we connect, share and transact, Rewardle is positioning itself to be a leading player as the worlds of social media, marketing, mobile and payments converge.

Having secured a substantial early mover advantage the Company has established a number of barriers for new entrants, with arguably the most significant being the powerful Network Effects that accompany the growing Merchant and Member Network.

The Company listed on the ASX on the 7th October 2014 and is led by an experienced entrepreneurial team with a successful background in Internet and media businesses.
