

ACQUISITION OF RENTCO

13 MARCH 2015

KEN LEWSEY, MANAGING DIRECTOR & CHIEF EXECUTIVE OFFICER

GREG HAWKINS, CHIEF FINANCIAL OFFICER

TRANSACTION OVERVIEW

The acquisition is a key move under Emeco's three-pillar strategy and will help diversify outside of the core mining sector.

Transaction highlights

- Emeco has agreed to purchase Rentco based on an equity value of \$53 million (enterprise value \$82 million). Consideration in cash, deferred cash and Emeco shares subject to a staged four-year escrow period, with potential for up to \$23 million in profit sharing payments over three years based on performance.

Rentco overview

- Established in WA 1994. Now operates Australia-wide with a fleet of approximately 1800 trucks, trailers and ancillary equipment – one of the biggest players in the national road haulage truck and trailer rental market. In FY14 Rentco generated revenue of \$45 million and EBITDA of \$19 million.

Strategic rationale

- “Pillar Three” growth opportunity. Similar dry rental and maintenance model, providing increased scale and diversification outside mining.

Key outcomes for Emeco

- Transaction is immediately earnings per share accretive, assuming no synergies and contributes to stronger group financial metrics.

EMECO'S STRATEGY

Emeco will be a market-driven business with a range of specialist propositions that are tailored to meet customer needs and delivering excellent returns for shareholders

1

Reshape the core rental business and improve profitability

Improve profits & reduce capital intensity	Market solutions	Create partnerships with customers
--	------------------	------------------------------------

- Improve utilisation rates and returns:
 - Align value propositions with customer needs
 - Build value partnerships with customers by providing fleet performance and earthmoving solutions
 - Expand low-capital intensity services, in particular maintenance and those that drive on-going site presence
 - Target projects in select new geographies
 - Position the right fleet to compete
- Generate cash for growth

2

Extend customer relationships with specialist mining products and services

Diversify revenue	Increase scale	Broaden customer relationships
-------------------	----------------	--------------------------------

- Build a diversified specialist mining services business:
 - Target adding value to mid-tier mining companies
 - Select attractive niches that are suited to consolidation/aggregation/growth
 - Leverage cross-selling benefits

3

Innovate, diversify and look to new business models

Deliver differentiation	Diversify markets	Disrupt the playing field
-------------------------	-------------------	---------------------------

- Diversify beyond mining
- Position technology as a point of difference in each of our offerings
- Generate new revenue streams by bringing best practice technology to mid-tier miners and contractors

Deep and broad customer engagement

Flexible, responsible deal making

Operational excellence

Safety, culture and brand

STRATEGIC RATIONALE

A strategic growth opportunity which will provide increased scale and diversification.

Leverage rental model

- Leverages Emeco's specialist rental and maintenance skills and builds significant diversity outside core mining sector.

Strong reputation

- Rentco is a leading player in the road truck and trailer market with **scale, national presence, reputation, brand and asset reliability.**

Less volatility

- Rentco is exposed to a wide range of industries that track general economic conditions and are generally less volatile than the mining sector.

Good industry dynamics

- Road freight volume growth 3.4% CAGR past 10 years.
