Agenda

Resolution 1

Approval for the Prior Placement of Options as announced on 16 March 2015 (ordinary resolution)

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

“That approval is hereby given, for the purpose of ASX Listing Rule 7.4 and all other purposes, to the issue of 49,080,785 unlisted options to Quintana KBL Holding Company LLC (announced on 16 March 2015) each entitling the holder to subscribe for and be issued 1 fully paid, ordinary share in the Company (ranking equally in all respects with the Company’s then issued shares) on payment of 2.47 cents prior to 16 March 2018.

Voting Exclusion

The Company will, in accordance with the Listing Rules of the ASX, disregard any votes cast on this Resolution by Quintana KBL Holding Company LLC and any of its associates. However, the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form, or if it is cast by a person chairing the meeting as proxy for a person who is entitled to vote in accordance with a direction on a proxy form to vote as the proxy decides.

Explanatory Note

On 16 March 2015 the Company announced it had issued 49,080,785 unlisted options to Quintana KBL Holding Company LLC each entitling the holder to subscribe for and be issued 1 fully paid ordinary share in the Company (ranking equally in all respects with the Company’s then issued shares) on payment of 2.47 cents prior to 16 March 2018 (“the Options”). This issue was pursuant to the Metals Purchase Agreement (“the Quintana MPA”) between Quintana Mineral Hill Streaming Company LLC (“Quintana”), the Company and KBL subsidiary, Newincco 1347 Limited, which commenced on 16 March 2015.

ASX Listing Rule 7.1 precludes the Company issuing securities representing more than 15% of its issued capital (subject to certain exceptions) in any 12 month period unless it obtains shareholder approval. Although the placement of the Options was within the Company’s capacity under ASX Listing Rule 7.1 when made, the issue diminishes the Company’s future placement capacity. ASX Listing Rule 7.4 permits the Company to now seek approval of this placement from shareholders and the effect of approval will be to restore the Company’s 15% placement capacity to the extent it has been diminished by this issue.

In accordance with ASX Listing Rule 7.5, the following information is provided;

- 49,080,785 Options were issued.
- There was no specified issue price for the Options as they were issued in consideration of Quintana entering into the Quintana MPA.
- The terms of the Options are set out in the Option Deed at Schedule 1 to this Notice.
- The Options were issued to Quintana KBL Holding Company LLC, being the entity nominated by Quintana.
- No funds have been raised on issue of the Options except that the issue was a requirement of the MPA under which an initial payment of \$US13.6 million was made by Quintana to KBL on 16 March 2015. As and when the Options are exercised, exercise moneys will be used as working capital.

Resolution 2

Approval of Future Placements (ordinary resolution)

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

“That for the purposes of ASX Listing Rule 7.1 and for all other purposes, the Company approves and authorises the placement by Directors of up to 74,364,826 ordinary fully paid shares in the Company to one or more places not later than 3 months after the date of this meeting, each share to be issued at not less than 80% of the volume weighted average market price of the Company’s shares on the ASX calculated over the last 5 days on which sales of KBL shares were recorded prior to the date on which such share is issued.”

Voting Exclusion

For the purpose of this Resolution, the Company will, in accordance with the Listing Rules of the Australian Securities Exchange, disregard any votes cast on the Resolution by any person who may participate in the proposed placements and any person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, if the resolution is passed and an associate of that person (or those persons). However the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form or if it is cast by a person chairing the meeting as proxy for a person who is entitled to vote in accordance with a direction on a proxy form to vote as the proxy decides.

Explanatory Note

With the commencement of the Quintana MPA which has enabled KBL to repay \$12.6 million of term debt and which will progressively release an additional \$US9.4 million, the Company is now engaged on a significant improvement programme at the Mineral Hill Mine. This is focussed on open pitting the Pearse gold deposit, installing a CIL circuit so the processing plant can produce dore gold, adding a lead cleaner circuit and a zinc circuit and other underground mining improvements. The Directors anticipate that the expected strong cash flows from these initiatives will lead to the Company’s shares being rerated. The Directors would like to be in the position where additional equity can be raised. This would further strengthen working capital and may, in particular, enable the Company (with 25% JV partner Yuguang (Australia) Pty Ltd) to do further drilling at the Sorby Hills silver lead Project to increase Reserves/ Resources. This Resolution therefore seeks authority for the Directors to place up to 74,364,826 shares (approximately 15% of the Company’s current issued shares) in the 3 months after this meeting at the minimum price provided in the Resolution.

ASX Listing Rule 7.3 requires certain information to be disclosed in relation to this Resolution and this is as follows: If any placement is made under this Resolution, the pricing will be at not less than 80% of the volume weighted average market price of the Company’s shares on the ASX calculated over the last 5 days on which sales of KBL shares were recorded prior to the date on which such share is issued. Clearly, the Directors will seek to maximise the placement price and, in this context, over the 3 months up to 31 March 2015, the Company’s closing share price on the ASX has ranged from a low of 1.8 cents to a high of 3.3 cents.

The proposed allottee(s) are not yet known but are likely to be institutional or sophisticated investors who are in a position to subscribe for shares without a disclosure document. No related party will participate in a placement made under the authority of this Resolution. In addition, all shareholders who vote on this Resolution (and their associates) will be prohibited from subscribing for any shares to be placed under this Resolution. Accordingly, all shareholders who intend (or have associates that intend) to subscribe for any new shares which may be offered pursuant to this Resolution should abstain from voting.

The shares to be issued will be ordinary fully paid shares ranking equally in all respects with the Company's current issued shares. ASX quotation will be sought for the shares which are issued under the authority of this Resolution. The funds raised will be used as working capital as outlined above. No shares will be issued for non cash consideration. It is anticipated that a number of allotments will be made progressively. The effect of this approval will be that the Company's capacity to issue additional shares in the next 12 months up to 15% of its capital in accordance with ASX Listing Rule 7.1 will not be diminished by the proposed placements.

Resolution 3

Election of Oliver Rodz as a Director (ordinary resolution)

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

"That Mr Oliver Rodz be elected a Director of the Company."

Explanatory Note

Mr Rodz was appointed as a Director on 16 March 2015 as an addition to the existing Directors and the Company's Constitution requires that a Director so appointed must retire from office at the next General Meeting following his or her appointment. The Constitution further provides that such a Director is eligible for re-election and may be re-elected by resolution of the Company. Mr Rodz has consented to re-election.

The Metals Purchase Agreement between the Company and Quintana provides for the Company to take all necessary corporate actions to ensure that the KBL Board include 3 nominees of Quintana and Mr Rodz has been nominated by Quintana.

Resolution 4

Election of David Laing as a Director (ordinary resolution)

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

"That Mr David Laing be elected a Director of the Company."

Explanatory Note

Mr Laing was appointed as a Director on 16 March 2015 as an addition to the existing Directors and the Company's Constitution requires that a Director so appointed must retire from office at the next General Meeting following his or her appointment. The Constitution further provides that such a Director is eligible for re-election and may be re-elected by resolution of the Company. Mr Laing has consented to re-election.

Mr Laing (aged 59) is a mining engineer with over 35 years of experience in diverse mining operations, project development, engineering studies, mining finance, investor relations, M&A and corporate development, in both base and precious metals. Resolution 5

Election of Lawrence Roulston as a Director (ordinary resolution)

To consider and, if thought fit, to pass the following resolution as an ordinary resolution:

“That Mr Lawrence Roulston be elected a Director of the Company.”

Explanatory Note

Mr Roulston was appointed as a Director on 16 March 2015 as an addition to the existing Directors and the Company's Constitution requires that a Director so appointed must retire from office at the next General Meeting following his or her appointment. The Constitution further provides that such a Director is eligible for re-election and may be re-elected by resolution of the Company. Mr Roulston has consented to re-election.

Mr Roulston (aged 61) is a geologist, with engineering and business training, and more than 25 years of hands-on experience in the resource industry.. From 1994 to 1997, he was CEO and director of a mineral exploration company. Since then, he has been a resource industry consultant and independent mining analyst.

The Metals Purchase Agreement between the Company and Quintana provides for the Company to take all necessary corporate actions to ensure that the KBL Board include 3 nominees of Quintana and Mr Roulston has been nominated by Quintana.

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1: Appointment of Proxy

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a security holder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2: Voting Directions to your Proxy

You can tell your Proxy how to vote.

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
