Voting by Proxy

To vote by proxy, please complete and sign the Proxy Form enclosed and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Your proxy form is enclosed.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they apply to this Annual General Meeting. Broadly, the sections mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

EXPLANATORY STATEMENT

This Explanatory Statement and all attachments are important documents. They should be read carefully.

If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

1. Financial Statement and Reports – Agenda Item

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2014 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's financial report to Shareholders unless specifically requested to do so. The Company's financial report is available on its website at <http://adxenergy.com.au/>.

2. Resolution 1 – Adoption of Remuneration Report

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution to shareholders that the remuneration report be adopted must be put to shareholders. However such a resolution is advisory only and does not bind the Directors of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the December financial report of the company. The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

The Remuneration Report is set out in the Company's Annual Report which:

- outlines the Board's policy for determining the nature and amount of remuneration of Directors, the company secretary and other key management personnel of the Company;
- discusses the relationship between the Board's remuneration policy and the Company's performance;
- details and explains any performance condition applicable to the remuneration of a Director, secretary or other key management personnel;
- details the remuneration (including options) of each Director and other key management personnel of the Company for the period; and
- summarises the terms of any contract under which any Director, the company secretary or other key management personnel is engaged, including the period of notice required to terminate the contract and any termination payments provided for under the contract.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directed	Undirected
Key Management Personnel ¹	Voted	Not voted ³
Chair ²	Voted	Voted at discretion of Proxy ⁴
Other	Voted	Voted at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member.

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3. Resolution 2 – Re-election of Mr Ian Tchacos as a Director

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer.

Clause 13.2 of the Constitution provides that:

- (1) at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election;
- (2) The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots;
- (3) A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election; and

(4) In determining the number of Directors to retire, no account is to be taken of:

- (i) a Director who only holds office until the next annual general meeting pursuant to clause 13.4 of the Constitution; and/ or
- (ii) a Managing Director,

each of whom are exempt from retirement by rotation.

The Company currently has 4 Directors, 3 of whom are included for the purpose of the calculation in paragraph (4) above.

Mr Ian Tchacos is the Director longest in office since his last election, retires by rotation and seeks re-election. The Board considers Mr Tchacos an independent director.

Mr Tchacos is a Petroleum Engineer with over 25 years international experience in corporate development and strategy, mergers and acquisitions, petroleum exploration, development and production operations, commercial negotiation, oil and gas marketing and energy finance. He has a proven management track record in a range of international oil company environments. As Managing Director of Nexus Energy he was responsible for this company's development from an onshore micro cap explorer to an ASX top 200 offshore producer and operator.

The Board of Directors (other than Mr Tchacos) recommend that shareholders vote in favour of Resolution 2.

4. Resolution 3 – Approval of 10% Placement Capacity – Shares

4.1 Introduction

The Company is seeking shareholder approval to issue an additional 10% of issued capital over a 12 month period pursuant to ASX Listing Rule 7.1A. ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity, see section 4.2 below for further details.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 4.2 below).

The effect of Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

ASX Listing Rule 7.1A requires this Resolution 3 to be passed as a special resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Pursuant to ASX Listing Rule 7.1A, no Equity Securities will be issued until and unless this special resolution is passed at the Meeting.

The Directors of the Company unanimously recommend that Shareholders vote in favour of Resolution 3.

4.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (1) is not included in the S&P/ASX 300 Index; and
- (2) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$2.626 million.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of Equity Securities on issue, being the Shares (ASX Code: ADX).

ASX Listing Rule 7.1A.2 provides that an Eligible Entity which has obtained shareholder approval at an annual general meeting may issue or agree to issue during the 12 month period after which the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of ordinary securities on issue 12 months before the date of issue or agreement:

- (1) plus the number of fully paid ordinary securities issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (2) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (3) plus the number of fully paid ordinary securities issued in the previous 12 months with approval of holders of ordinary securities under ASX Listing Rules 7.1 and 7.4. [Note: this does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval]; and
- (4) less the number of fully paid ordinary securities cancelled in the previous 12 months.

D is 10 percent (10%).

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

4.3 Technical Information required by ASX listing Rule 7.1A.

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) Minimum Issue Price

The minimum issue price for the Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the volume weighted average price of Equity Securities in that class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (1) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (2) If the Equity Securities are not issued within 5 ASX trading days of the date in Section 4.3(a)(1) above, the date on which the Equity Securities are issued.

(b) Date of Issue

Assuming Resolution 3 is passed, the Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (1) 12 months after the date of this Meeting; and
- (2) the date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under ASX Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

If approval is given for the issue of the Equity Securities then the approval will expire on 26 May 2016, unless Shareholder approval is granted pursuant to ASX Listing Rules 11.1.2 or 11.2 prior to that date.

(c) Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will have a dilutive effect on the interests of existing Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Table

Issued Share Capital (Number of Shares)	50% decrease in current Market Price \$ 0.002		Current Market Price \$ 0.004		100% increase in current Market Price \$ 0.008

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

Assumptions and explanations

- The current shares on issue are the Shares on issue as at the date of this Notice of Meeting.
- The issue price set out above is the closing price of the Shares on the ASX on 10 April 2015.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a specific risk that:

- (1) the market price for the Company's Shares may be significantly lower on the date of the issue than it is on the date of the Meeting; and
- (2) the Shares may be issued at a price that is at a discount to the market price for those Shares on the issue date.

(d) Purpose of issue of 10% Placement Capacity

The Company may issue Equity Securities for non-cash consideration, such as for the acquisition of new assets or investments. If the Company issues Equity Securities for non-cash consideration, the Company will release to the market a valuation of the non-cash consideration that demonstrates that the issue price of the Equity Securities complies with ASX Listing Rule 7.1A.3.

Funds raised from the issue of Equity Securities, if undertaken, would be applied towards funding expenditure associated with the exploration and development of oil and gas permits, acquisitions of new assets or investments and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Equity Securities. The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to a number of factors including but not limited to the following:

- (1) the purpose of the issue;
- (2) the alternative methods for raising funds available to the Company at that time, including but not limited to, rights issue or other offer where existing Shareholders may participate;
- (3) the effect of the issue of the Equity Securities on the control of the Company;
- (4) the circumstances of the Company, including but not limited to, the financial situation and solvency of the Company;
- (5) prevailing market conditions; and
- (6) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or investments for which placement securities are issued as consideration, it is possible that the allottees of some of the placement securities will be the vendors of the new assets or investments.

(f) Previous approval under ASX Listing Rule 7.1A.

The Company has previously obtained Shareholder approval under ASX Listing Rule 7.1A at its Annual General Meeting held on 8 May 2014.

During the 12 month period preceding the date of the Meeting, being on and from 8 May 2014, the Company issued a total of 111,111,098 Shares which represents 19.6% of the total diluted number of Equity Securities on issue in the Company on 8 May 2014, which was 565,867,175 (shares 545,367,175 and unlisted options 20,500,000). Of these 111,111,098 shares issued, 54,536,717 were issued under rule 7.1A, 28,796,616 were issued under rule 7.1 and 27,777,765 were issued under a share purchase plan (being an exception in rule 7.2).

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in the table below:

Date of Issue	Number of Equity Securities	Class of Equity Securities and summary of terms	Names of recipients or basis on which recipients determined	Issue price of Equity Securities and discount to Market Price on the trading day prior to the issue	If issued for cash – the total consideration, what it was spent on and the intended use of any remaining funds If issued for non-cash consideration – a description of the consideration and the current value of the consideration
21 October 2014	83,333,333	Ordinary shares	Issued to institutional investors pursuant to a placement	0.9 cents. No discount to market price.	Cash consideration of \$750,000. All funds raised have been used to fund the Company's general exploration expenditures and for working capital purposes.
11 November 2014	27,777,765	Ordinary shares	Issued to shareholders pursuant to a share purchase plan	0.9 cents. No discount to market price.	Cash consideration of \$250,000. All funds raised have been used to fund the Company's general exploration expenditures and for working capital purposes.

(g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (1) a list of the allottees of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with ASX Listing Rule 7.1A.4; and
- (2) the information required by ASX Listing Rule 3.10.5A for release to the market.

4.4 Voting Exclusion Statement

A voting exclusion statement is included in the Notice of Meeting. At the date of this Notice, the proposed allottees of any Equity Securities are not as yet known or identified and the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

Recommendations

The Board believes that the Resolutions to be proposed at the Company's Annual General Meeting are in the best interests of the Company and (except where otherwise stated) unanimously recommends that shareholders vote in favour of each resolution.

Enquiries

Shareholders are invited to contact the Chairman, Mr Ian Tchacos, on (08) 9381 4266 if they have any queries in respect of the matters set out in these documents.

Proxy Form

For your vote to be effective it must be received by 11.00am (WST) Sunday, 24 May 2015

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Signing Instructions

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.

If a representative of a corporate securityholder or proxy is to attend the meeting you will need to provide the appropriate "Certificate of Appointment of Corporate Representative" prior to admission. A form of the certificate may be obtained from Computershare or online at www.investorcentre.com under the help tab, "Printable Forms".
