US\$60M Financing Update

Range advises that further to the Company’s announcement on 1 April 2015, Range has been advised by Core Capital Management Co., Ltd (Core Capital) that it has not yet received all necessary regulatory and government approvals to complete the funding. Under the terms of the funding agreements, completion should occur by 30 April 2015, subject to satisfaction of this remaining condition precedent.

Range is disappointed that the completion has not occurred to date, but has agreed with Core Capital to extend the completion date to 14 May 2015 to enable Core Capital to progress with the receipt of the approvals.

Range continues to closely monitor the progress with Core Capital and will provide a further market update in due course.
