Rehabilitation Bonds Refund

Blackham Resources Ltd ("Blackham" or "the Company") (ASX: BLK) is pleased to confirm that its 100% owned subsidiary Matilda Operations Pty Ltd ("Matilda Operations") entered into the Western Australia Mining Rehabilitation Fund in late 2014 and as a result the Department of Mines and Petroleum has agreed to refund the \$3.26 million in bonds on the Wiluna Gold Project.

Under Blackham's agreement to purchase a 100% of the Wiluna Gold Project, the Blackham Group was required to replace the bonds and take on the rehabilitation liability for the Wiluna Gold Project. Matilda Operations was required to pay the \$3.26 million in environmental bonds on the transfer of the mining leases from the previous owner, Apex Gold Pty Ltd, to Matilda Operations. The mining lease transfers have now been processed by the Department of Mines and Petroleum and registered to Matilda Operations Pty Ltd. The bonds are in the process of being refunded to Apex Gold Pty Ltd further strengthening the Blackham Group's working capital position.
