## International Goldfields gains listing on Frankfurt Stock Exchange

International Goldfields Limited ("IGS") (ASX:IGS) is pleased to announce that it is now trading on the Frankfurt Stock Exchange, under the symbol COT.

The Frankfurt Stock Exchange (FWB) is the world's 10th largest stock exchange by market capitalisation. In gaining the Frankfurt listing International Goldfields Director, Mr David Tasker, said, *"The company is pleased to have gained a Frankfurt listing, in conjunction with and supported by a significant local market maker, as it allows the company to engage with another large, sophisticated investor audience."*

*"In addition, we believe this market will be extremely receptive to the WinterGarden story, particularly as the European market for legal cannabinoids and hemp based products is very mature and well supported by local investors."*
