Dear Mr Newman

The Directors of Erin Resources Limited request that the Company's securities be placed in a voluntary trading halt immediately in accordance with ASX Listing Rule 17.1 pending a material announcement on European CBD licensing agreements with MCG Pharmaceuticals Limited. The Company announced on 18 May 2015 it executed a binding heads of agreement to acquire 100% of MGC Pharmaceuticals Limited.

The Company requests that the trading halt end on the earlier of the commencement of normal trading on Friday 12 June 2015 or when the announcement referred to above is released to the market.

The Company is not aware of any reason why the trading halt should not be granted, nor of any other information necessary to inform the market about the trading halt, and the Company confirms that the request for a trading halt is material.

Yours faithfully
