CAPITAL RAISING

iWebGate Limited ("**Company**") is pleased to advise it has received firm commitments to raise \$2.045 million at 20 cents per share.

Funds raised will be used to accelerate opportunities the Company has with telecommunications companies and to further expand the iWebGate business through the commercialisation of the Company's products both in Australia and overseas.

The Company believes it will have sufficient working capital to enable it to achieve strong revenues over the remainder of the year.
