#### *Directors' Recommendation*

The Board (other than Mr Corbin) recommends Shareholders vote in favour of the Resolution.

### 2. Resolution 2 – Ratification of Issue and Allotment of Shares

Under Listing Rule 7.1, a listed company may not issue shares if the shares issued when aggregated with other shares issued over the previous 12 months and not subject to an exception to Listing Rule 7.1, exceed 15% of the issued capital of the company.

Under Listing Rule 7.4, it is possible for shareholders to approve an issue of securities which has already taken place, for the purpose of excluding that number of securities from the calculation of the 15% threshold under Listing Rule 7.1,

On the 27<sup>th</sup> May 2015, the company announced that it had made various placements totalling 279,626,080 shares ranging in price from \$0.0032 to \$0.0064.

Under Listing Rule 7.1, a listed company may not issue shares if the shares issued, when aggregated with other shares issued over the previous 12 months and not subject to an exception to Listing Rule 7.1, exceed 15% of the issued capital of the Company. The placement of shares did not result in the issue of more than 15% of the issued capital of the Company, however the Board would like the flexibility to issue further shares over the next 12 months.

Under Listing Rule 7.4, it is possible for shareholders to approve an issue of securities which has already taken place, for the purposes of excluding that number of securities from the calculation of the 15%

threshold under Listing Rule 7.1. If shareholders approve this resolution, then the shares issued pursuant to the placement will not be taken into account in calculating whether the 15% threshold is exceeded by issues in the 12 months following approval that are not otherwise exempt from Listing Rule 7.1.

In compliance with ASX Listing Rule 7.5, the following information is provided in relation to the Share Ratification:

- (a) The number of securities issued was 279,626,080 Shares.
- (b) The issue price for the shares was:
  - 200,820,126 at \$0.0032
  - 28,111,110 at \$0.0045

  - 8,000,000 at \$0.00625
  - 38,694,844 at \$0.0064
- (c) The shares issued were all fully paid ordinary shares in the capital of the company and rank equally with all other shares.
- (d) The shares were issued to sophisticated investors;
- (e) The sophisticated investors were unrelated parties.
- (f) The funds were used for commercialisation and for working capital purposes.

#### *Directors' Recommendation*

The Board recommends Shareholders vote in favour of Resolution 2.

- (7) It is intended that the Options will be allotted on one date.

#### *Directors' Recommendation*

The Board recommends Shareholders vote in favour of the Resolution 3.

#### **4. Resolution 4 - Additional Placement Capacity**

ASX Listing Rule 7.1A enables eligible entities to issue equity securities up to 10% of their issued capital through placements over a 12 month period after an annual general meeting. This 10% placement capacity is in addition to the Company's 15% limit under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

ASX Listing Rule 7.4 provides that where holders of ordinary securities approve a previous issue of securities made without approval under either ASX Listing Rule 7.1 or ASX Listing Rule 7.1A, and provided that the previous issue of securities did not breach ASX Listing Rule 7.1 or ASX Listing Rule 7.1A, those securities shall be deemed to have been issued with Shareholder approval for the purpose of ASX Listing Rule 7.1 and ASX Listing Rule 7.1A.

Shareholder approval of the issues of Resolution 4 Shares set out below is now sought pursuant to ASX Listing Rule 7.4, to reinstate an additional 10% of its ordinary issued capital under ASX Listing Rule 7.1A if required, over a twelve month period without seeking further Shareholder approval.

ASX Listing Rule 7.5 requires the following information to be provided to Shareholders in relation to the Resolution 4 Shares:

- (d) The shares were issued to sophisticated investors;
- (e) The sophisticated investors were unrelated parties.
- (f) The funds were used for commercialisation and for working capital purposes.

#### *Directors' Recommendation*

The Board recommends Shareholders vote in favour of the Resolution as it allows the Company to ratify the above issue of Securities and retain the flexibility to issue further Securities representing up to 15% of the Company's share capital under ASX Listing Rule 7.1 and an additional 10% of the Company's share capital under ASX Listing Rule 7.1A during a twelve month period without seeking further Shareholder approval. The Directors entitled to vote on this Resolution, intend to vote all their Shares in favour of the Resolution.

#### **5. Resolution 5 - Pre-Approval for the issue of up to 500,000,000 shares**

As part of the Company's commercialisation strategy it has stated that it will consider joint venture arrangements with parties for the manufacture of their Fly ash based Proppants.

The company is currently considering a range of opportunities and while no decisions have been made by the Board in relation to any specific transaction or funding source, and any such project may be funded through debt, equity, joint venture or a combination of these funding sources, the Board feels it prudent to obtain in advance approval to raise additional capital.

Under Listing rule 7.1, a listed company is prohibited from issuing or agreeing to issue shares without shareholder approval. If in doing so, it would breach the listing rules, being the 15% of listing rule 7.1 or the additional 10% cap afforded under Listing Rule 7.1 A.

At the date of this notice, provided resolutions 2 and 4 are passed, the company will be entitled to issue approximately 380,800,000 shares without shareholder approval. Accordingly the company is seeking shareholder approval for a further 500,000,000 shares so that if the resolution is passed, the Company can issue a total of 880,800,000 shares, representing approximately 29.02% of the expanded Share Capital.

In accordance with Listing Rule 7.3, the Company provides the following information.

- (a) The shares will be allotted to sophisticated investors (in accordance with sections 708 (8) and (10) of the Corporations Act), professional investors (in accordance with section 708(11) of the Corporations Act), other institutional and accredited investors to whom no disclosure is required under the Corporations Act. No shares will be issued to related parties under this resolution.
- (b) The company may issue up to 500,000,000 shares.
- (c) In accordance with Listing Rule 7.3.3 the issue price of any Placement shares will not be less than 80% of the volume weighted average closing price for ordinary shares calculated over the last 5 days on which sales of ordinary shares were recorded before the date on which the placement shares were issued or the date on which a product disclosure statement or offer information statement is signed.
- (d) If approved and a Placement occurs, shares will be issued on or before 3 months after the date of this meeting (being the 8th October 2015) as required by the Listing Rules.
- (e) All shares issued under the placement will be fully paid ordinary shares in the Company that will rank pari passu and form one class with all other ordinary shares of the company.
- (f) The funds will be used in the commercialisation of the Flyash Proppant Technology.
- (g) Voting exclusions are outlined in the notes of Resolution 5.

#### *Directors' Recommendation*

The Board recommends Shareholders vote in favour of the Resolution 5.

For the purposes of determining voting entitlements at the Meeting, shares will be taken to be held by the persons who are registered as holding the Shares at 5.00pm (Brisbane Time) on the 6th July 2015.
