Upgrade to Market Guidance

Following a period of pleasing performance from our acquisitions, strong organic growth and recent contract success, Empired provides the following upgrade to Revenue guidance currently in the market.

FY15 Reported Revenue expected to be in the range of \$120m to \$130m (Previously \$110m to \$120m)

FY16 Reported Revenue expected to be in the range of \$155m to \$175m (Previously \$145m to \$165m)

To service the strong organic growth Empired has hired approximately 100 new staff. This provides a high degree of confidence in our strategy and delivering into the FY16 year however has weighed on gross margins and expenses as we recruit, on-board and mobilise such a substantial increase in our billable workforce.

Empired remains confident on delivering a strong FY15 financial result, at the upper end of Revenue guidance range.
