Grant of Mining License

Haranga Resources Limited ("the Company") is extremely pleased to announce that its 80% owned subsidiary Haranga Khuder LLC, which holds the Mineral Exploration Licenses and Pre-Mining Operations Agreement for its Selenge Project in Mongolia, has been granted a Mining License (#18934A) by the Mineral Resources Authority of Mongolia. The license area covers 3,480.70 hectares.

The Mining license is valid for 30 years until 19 June 2045. Pursuant to the Minerals Law of Mongolia, the Company can apply to have the license extended up to 2 additional terms of 20 years each.

As a result of granting of the mining license, the area covered by Exploration License (#11334X) has been split and a new exploration license (#18935X) granted. As such, the Company now holds a total of 5,459.85 hectares that remain valid under the status of the Pre-Mining Operations Agreement as shown in the Figure 1 and Appendix 1.

The remaining 5 tenements (being #11335X, 11337X, 11338X, 17245X and 17467X as listed at Appendix 1) remain unchanged.

Yours faithfully,

Marshall Cooper
Chairman
