# ASX ANNOUNCEMENT

6 July 2015

## ENTITLEMENT OFFER

Rampart Energy Ltd advises that at the close of the Entitlements Offer on 1 July 2015, acceptance of entitlements plus applications for shortfall approved by the Board total \$380,732.92.

This has resulted in a shortfall of \$676,251.58, which has been advised to the Underwriter, Patersons Securities Limited.

As previously advised, and as a sign of their confidence in the Company, \$200,000 of this shortfall will be subscribed for by the Directors of the Company pursuant to sub underwriting agreements with the Underwriter.

### Chairman's Statement

Chairman Mr Gavin Harper commented "*The Board of Rampart are very pleased with the level of shareholder participation, particularly in such a difficult overall market, especially in the oil and gas sector.*"
