## **Passing of a Director**

Mako Hydrocarbons Limited ("Mako", "The Company") would like to advise the market of the sudden passing of its non-executive director, Graham Anderson. The Company and his colleagues are obviously shocked and distraught at the news.

On behalf of the Company and Board of Directors, Executive Chairman, Simon Owen expressed his deepest sympathy and support to the Anderson family.

'Graham's was an invaluable colleague and a better friend to all those that had the good fortune to be involved with him. He will be hugely missed by a great many,' said Mr Owen.
