Dear Sir,

APPENDIX 3B

Orinoco Gold limited ("Orinoco" or the "company") has issued Options to key employees under its shareholder approved Employee Option Incentive Scheme. The issue to employees is in recognition of performance over the last 6 months in assisting with the transition from exploration company to development and for additional incentives for future performance.

The Company has also issued further shares to the Vendors of the Edem Project due to an incorrect calculation in the number of shares to be issued in accordance with the agreed settlement in shares for the USD250,000 Retention Payment. These shares have been issued using the Company's 15% capacity under ASX Listing Rule 7.1.

An appendix 3B is attached.

Yours sincerely,

For and on behalf of Orinoco Gold Limited
