Axxis Technology Group Limited (ASX: AYG) (“Company”) is pleased to present the attached **Appendix 4C: Consolidated Statement of Cash Flows** for the June 2015 quarter.

Significant matters include:

- As at 30 June 2015, the closing cash balance was **\$589k**
- The company’s operating costs have now reduced substantially since the sale of the Anittel Pty Ltd business to IAB in January this year. Net operating cash outflows in the quarter to 30th June 2015 were **\$107k** which included a **\$75k** one - off payment to exit the company’s mobile telephone service contract with its provider. (This amount had been provided for in the Company’s accounts at 31 Dec 2014)
- As announced on 17 April 2015, the Company and IAB agreed to vary the terms of the sale agreement in relation to the deferred Performance Consideration, resulting in an agreement where IAB will pay the Company **\$150k** in cash by 31 July 2015 in lieu of Performance Consideration.

With the recent conclusion to the mobile telephone service referred above, the Company has now finalised the disposal of all prior operating businesses. We are now concentrating on the acquisition of suitable business assets to reposition the Company.
