PLEASE NOTE: to contribute in a Telstra Conferencing Question Queuing Presentation, you will need a touchtone phone.

- Approximately **10 minutes** before the scheduled start time, please dial your above Call-In number.
- A Conference Administrator will greet you and obtain your full name and any other required details. You will be asked to test the * then 1 keys on your telephone to ensure that you are able to register questions, if required. You will then be placed into hold music until the conference is due to commence.
- At the start of the conference you will be taken off hold music and placed in a Listen Only (mute) Mode; there is no need for you to mute your own phone line.
- If at any time during the conference you wish to ask a question or make a comment, press **(* then 1) to register your question**. The Conference Administrator will un-mute your line and introduce you, in turn, to ask your question. If you decide to **cancel your question** at any time press **(* then 2)**. All parties in the conference will hear your questions, comments and answers. When you have finished asking your question(s) and have received your answer(s) you will be placed back into conference on Listen Only Mode.
- If you are disconnected for any reason during the conference, please redial your above Call-in number.
- The Presenter will inform all participants once the conference is about to conclude.
