Dear Mr Newman

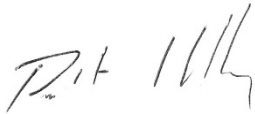

Trading Halt

The Company requests the securities of Kibaran Resources (KNL) be placed in a trading halt pending the release of an announcement in relation to a material offtake for its Epanko Graphite Project in Tanzania.

The trading halt is expected to end when the Company makes an announcement to the ASX no later than the commencement of trading on Tuesday 25th August 2015.

The Company is not aware of any reasons why the trading halt should not be granted.
