Overview

For the half year to 30 June 2015 migme Ltd ("migme") has advanced its business strategy in the east Asian emerging markets including Indonesia, Philippines and India. Through these emerging markets migme has grown its Monthly Active Users (MAU) to more than 19.0m MAU's. This is a significant increase from 7.0m MAU's (171%) at the time of listing in August 2014.

During the half year period migme has invested in establishing the executive and operational team; marketing initiatives and product development program to further refine, enhance and expand the user experience to further penetrate these emerging markets and monetise these accordingly.

Revenue *(Appendix 4D item 2.6)*

These programs whilst in their initial phases have resulted in a 216% increase in revenue to \$3.0m compared to the prior corresponding period of \$1.0m. The main drivers of this growth include:

- Strong growth in Monthly Active Users (MAU) with over 19m MAU's at 30 June 2015 compared to approximately 7m as at migme's ASX listing date on 11 August 2014
- Further partnering with artists/celebrities and media enterprises in emerging markets driving user participation
- Monetisation of user base by the addition of further payment channels to facilitate payment by users in emerging markets who previously had no avenue for payment
- Launch of sold.sg platform which provides auction and ecommerce service to migme users

Explanation of loss for the half year-year after tax (*Appendix 4D item 2.6*)

After accounting for the increase in revenue as outlined above the loss for the half-year after decreased by \$1.77m due to an increase in expenditure as follows:

- Additional marketing costs to drive and promote the migme brand (up by \$0.76m);
- Further investment in human resource personnel including the establishment of country offices in India and Philippines (up by \$2.49m);
- Other operational costs (up by \$0.23m); and
- Offset by lower employee share based payment expense (down by \$5.25m).

Outlook

In the second half, migme will seek to further enhance the quality of service, experience, operations and consolidate the growth in user numbers and sales revenue. We are planning to bring more artists and media partners on board and building further engaging experiences on our platform that will drive the growth in the number of monetising users and revenue per user.

The second half will also see the full deployment of operational capability and establishment of local offices in India and the Philippines to realise the market opportunity and achieve critical mass in our target markets, a key requirement towards realising profitability.

Notes to the Consolidated Financial Statements

For the half-year ended 30 June 2015

1. Basis of Preparation of Half-Year Financial Statements

The financial statements of the Company are for the six (6) months ended 30 June 2015 and are presented in Australian Dollar (\$AUD), which is the functional currency of the Company. These general purpose interim financial statements have been prepared in accordance with the requirements of the Corporations Act 2001 and AASB 134 Interim Financial Reporting. They do not include all of the information required in annual financial statements in accordance with Australian Accounting Standards, and should be read in conjunction with the consolidated financial statements of the Group for the year ended 31 December 2014 and any public announcements made by the Company during the half-year in accordance with continuous disclosure requirements arising under the Australian Securities Exchange Listing Rules and the Corporations Act 2001.

On 5 August 2014, migme Limited, formerly Latin Gold Limited (the Legal Parent and Legal Acquirer), completed a merger with the acquisition of Project Goth, Inc. and subsidiaries (Project Goth, Inc. and the Legal Acquiree). In accordance with "AASB 3: Business Combination" (AASB 3), the merger was recorded under the reverse acquisition principals which resulted in the Legal Parent being accounted for as the subsidiary, while the Legal Acquiree, being accounted for as the parent. Therefore, the comparatives represent the results for the six months of Project Goth Inc.

The financial statements have been approved and authorised for issue by the Board of Directors on 26 August 2015.

2. Going Concern

The financial statements have been prepared on the going concern basis which contemplates the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the normal course of business.

The Group has incurred a net loss after tax for the half-year ended 30 June 2015 of \$8,808,103 (2014: \$10,575,250), and a net cash outflow from operating activities of \$7,465,630 (2014: \$4,474,035). As at 30 June 2015, the Group has working capital surplus of \$3,911,091 (2014: \$4,496,359).

The Group's ability to continue as a going concern and pay its debts as and when they fall due, assumes the following:

- a) the Group's ability to generate sufficient increase in customer receipts to cover ongoing expense disbursements; and/or
- b) the Group is able secure further investment to finance the Group's operations.

The Directors have reviewed the business outlook and cash flow forecast and are of the opinion that the use of the going concern basis of accounting is appropriate as they believe the Group will achieve the matters set out above. As such, the Directors believe that they will continue to be successful in securing additional funds as and when the need to raise working capital arises.

Should the Group be unable to continue as a going concern, it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different from those stated in the financial statements.

migme Limited

Notes to the Consolidated Financial Statements

For the half-year ended 30 June 2015

3. Significant Accounting Policies

The financial statements have been prepared in accordance with the same accounting policies adopted in the Group's last annual financial statements for the year end 31 December 2014. The accounting policies have been applied consistently throughout the Group for the purposes of preparation of these financial statements.

The Group has considered the implications of new or amended Accounting Standards, but determined that their application for the financial statements is either not relevant or not material.

4. Estimates

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses. The actual results may differ from the judgements, estimates and assumptions made by management, and will seldom equal the estimated results.

The judgements, estimates and assumptions applied in interim financial statements, including the key sources of estimation uncertainty were the same as those applied in the Group's last annual financial statements for the year ended 31 December 2014.

5. Business Combinations

On 21 January 2015, the Company acquired an online entertainment shopping website www.sold.sg. The total consideration paid was \$335,366 consisting of the following:

	\$
Cash paid/payable	91,464
Shares issued	243,902
Total consideration paid	335,366
Less: fair value of identifiable assets acquired	-
Goodwill	335,366

As a result of impairment testing, goodwill of \$335,366 has been written off for the half-year ended 30 June 2015.

Purchase consideration – the inflow/(outflow) of cash to acquire the business, net of cash acquired:

	\$
Cash balance acquired	-
Less: cash paid/payable	(91,464)
Net outflow of cash	(91,464)

migme Limited

Notes to the Consolidated Financial Statements

For the half-year ended 30 June 2015

6. Segment Reporting

Based on the information used for internal reporting purposes by the chief operating decision maker, being the Board of Directors, at 30 June 2015, the Company operated in one reportable segment being the migme platform operations in Asia.

The reportable segment financial statements are therefore the same as the consolidated statement of profit or loss and other comprehensive income, and the consolidated statement of financial position.

7. Earnings Per Share

Basic earnings/(loss) per share is calculated as net profit/(loss) attributable to members of the parent divided by the weighted average number of ordinary shares during the half-year.

Diluted earnings/(loss) per share is calculated as above with an adjustment for the weighted number of ordinary shares that would be issued on conversion of all dilutive ordinary shares.

Basic and dilutive earnings/(loss) per share are calculated as follows:

	Half-Year	
	2015 \$	2014 \$
Profit/(loss) attributable to members of the Group	(8,808,103)	(10,575,250)

10. Fair Value Measurement of Financial Instruments

AASB 13 requires disclosure of fair value measurements by level of the fair value hierarchy as follows:

- **Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities
- **Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- **Level 3:** inputs for the asset or liability that is not based on observable market data (unobservable inputs)

The Group's financial assets and financial liabilities measured and recognised at fair value at 30 June 2015 and 31 December 2014 on a recurring basis are as follows:

Directors' Declaration

In the directors' opinion:

- a) the financial statements and notes set out on pages 8 to 18 are in accordance with the Corporations Act 2001, including:
 - (i) complying with Accounting Standard AASB 134 Interim Financial Reporting; and
 - (ii) giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and of its performance for the half-year ended on that date.
- b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF MIGME LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Migme Limited, which comprises the condensed statement of financial position as at 30 June 2015, the condensed statement of profit or loss and other comprehensive income, condensed statement of changes in equity, and condensed statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration for Migme Limited (the consolidated entity). The consolidated entity comprises both Migme Limited (the Company) and the entities it controlled during the half year.

Directors' Responsibility for the Half-Year Financial Report

The directors of Migme Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Migme Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Whilst we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by the directors or management.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been provided to the directors of Migme Limited on 26 August 2015.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Migme Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 30 June 2015 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.

Significant Uncertainty Regarding Going Concern

Without qualification to the review conclusion expressed above, attention is drawn to the following matter:

As referred to in note 2 to the financial statements, the financial statements have been prepared on a going concern basis. At 30 June 2015 the consolidated entity had cash and cash equivalents of \$5,388,650 and a net working capital surplus of \$3,911,091. The consolidated entity had incurred a net loss for the period ended 30 June 2015 of \$8,808,103 and had accumulated losses of \$90,015,095 at that date.

The ability of the consolidated entity to continue as a going concern and meet its planned expansion, operating costs, and other commitments is dependent upon the consolidated entity successfully exploiting its current business to generate sufficient cash flows through revenues and/or raising further capital. Should the consolidated entity be unable to continue as a going concern, it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different from those stated in the financial statements.
