The rental property market in Australia is a large and growing section of the overall property market. It is fast moving, fragmented and under-serviced.

- > 30% of Australia's population (7 million people) rent; primarily key 18-35 demographic
- > Approximately 3 million rental properties in Australia
 - > 1.6 million properties managed by ~10,000 property agencies
 - > 1.4 million properties self-managed by ~1 million non-agent landlords
- > Average lease turnover ~12 months;
- > Estimated 3 million annual rental transactions represents 5x the number of home sales;
- > Significant and growing % of real estate agency revenue is derived from property management;
- > ~50% of all rental advertising is offline; non-agent landlords traditionally advertise in print media and other offline sources

Rent.com.au (ASX:RNT) is Australia's #1 dedicated rental property website, becoming the long term home for renting by creating a single marketplace comprising property agents and non-agent landlords listings and a broad range of services needed by all the rental market participants

- › Rent.com.au is currently a top 10 national property website with:
 - › 58,000 active property listings
 - › 6,400 national property rental agencies registered
 - › 334,000 monthly unique visitors to site
 - › Robust & scalable web and mobile platform
- › RNT has a first mover advantage in the **offline to online** market shift opportunity of the large non-agent landlord market which are not serviced by agent-only REA Group
- › Business model is to provide broad range of services needed by all market participants - making money from renters and landlords as well as agents

REVENUE MODEL

- > 7 million renters in Australia, ~30% of the population, who on average move every year
- > www.rent.com.au offers renters a single location to search the entire rental market covering property agents and non-agent landlord listings, plus range of vertical products and services

- > RNT’s transaction based innovative renter products already launched include:
 - > **RentBond** – spreading bond payment over 3-6 months interest free
 - > **RentConnect** – hassle free utility connections
 - > **RentCheck** – tenancy database, ID check and credit check
 - > **RentReport** – vital statistics for renter knowledge
- > Extensive suite of future products are in the development pipeline e.g. removalists, insurance
- > RNT targeting 1 million renters to site per month within 5 years, with transactions between \$15 and \$40 per service

Case Study of Potential Revenue*			
Scenario % of 1m monthly visitors to site who transact	5%	10%	15%

- > Half the overall rental advertising market still offline. Opportunity to drive traffic online similar to carsales.com.au and seek.com.au
- > RNT provides simple and cost effective ability for landlords to target renters and access property management quotes from property agents
- > RNT’s current non-agent landlord products include:
 - > **Standard Listing** per rental property – normally \$99 but currently free offer to drive market share
 - > **Premium Listings** – pay to have ads at top of search, stand out more = more views per ad
 - > **RentCheck** – background checks on potential tenants
 - > **RentReport** – rental pricing and other statistics

Advertisers – Seeking Access to 18-35 Audience

- > Online classified adverts are the fastest growing segment of the \$4.4bn online advertising market – real estate is consistently the leading category
- > Advertisers desire more targeted and timely campaigns
- > RNT enables targeted advertising campaigns to a selective audience encompassing the sought after 18-35 year old demographic at the critical moving home phase = high propensity to act
- > RNT’s advertiser products include:
 - > **Banner advertising sales**
 - > **Sponsorship**
 - > **Database marketing**

RNT differentiates itself from other sites by providing a complete marketplace for the growing but under serviced rental market

RNT has a number of significant blue sky opportunities primarily through international expansion - the most significant of which is its ownership of www.rent.asia.

www.rent.asia

- > RNT won an international tender to secure rent.asia domain;
- > Leverage existing Australian IP to launch www.rent.asia;
- > Market space is hundreds of times larger than Australia, just in key capital cities alone;
- > Same beneficial drivers exist in these markets to renters, landlords and property agents;

- > RNT also owns:
 - > Lease.com.au
 - > Privatelandlords.com.au
 - > Propertymanager.com.au
 - > Rentalproperty.com.au

Rent.com.au is ideally placed and well capitalised to commercialise its platform for the benefit of all participants in the rental market and for RNT shareholders

- › Successfully completed \$5 million capital raising and ASX Listing (ASX:RNT)
- › Experienced Board and Management team recently strengthened with key sales and marketing talent
- › Clear market opportunity with no major direct competitor:
 - › Create the home for renters - targeting 500,000 unique monthly visitors within 12 months
 - › Transition of non-agent landlord market from offline to online at rent.com.au
 - › Increase property agent content market share and upsell to premium products / subscriptions
- › Rollout of national marketing campaign to drive 'renter traffic' – including online & offline advertising, SEO and social media campaigns
- › Multiple revenue opportunities from all rental market participants – non-agent landlords, renters, property agencies and advertisers
- › Capitalise on 1st mover advantage
- › Expansion opportunities in Asia and other related portal products

OPERATING UPDATE

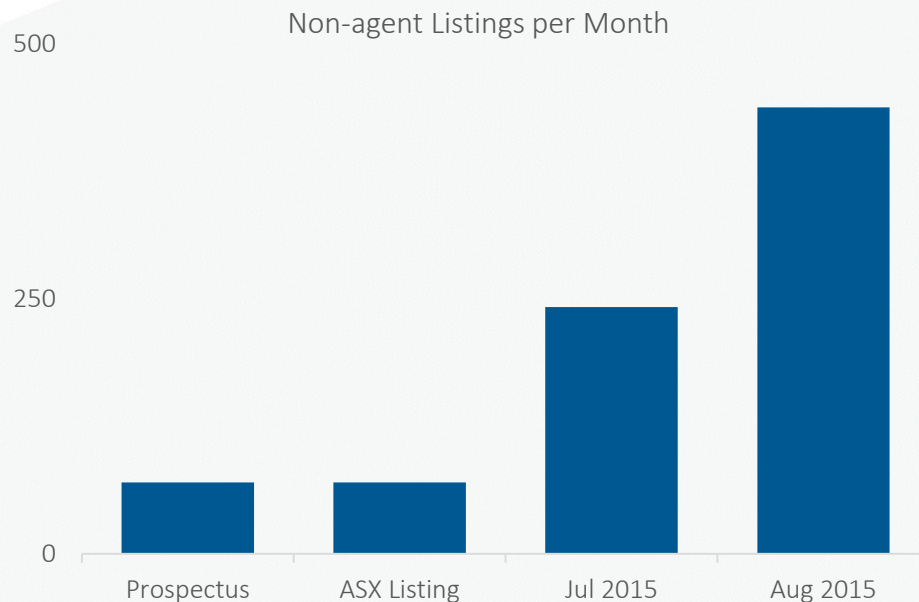

RNT has made good progress on its three immediate commercialisation objectives in the 2 months since listing:

1. Drive traffic to www.rent.com.au to 500,000 unique visitors per month within 12 months:
 - > Appointed Accordant as digital optimisation agency in July 2015 – operational transition during August 2015;
 - > Traffic in August 2015 at 334,000 unique visitors – up 32% from June 2015 and 45% from pre-IPO;
 - > Appointment of key public relations and social media/content staff to drive awareness, engagement and non-paid traffic;
 - > Renter product sales and advertising revenues up as traffic has increased;

RNT has made good progress on its three immediate commercialisation objectives in the 2 months since listing:

2. Increase property listings from non-agent landlords:
 - > Waived usual \$99 standard listing fee (with paid upgrades available) in order to drive volume – step change is starting in first 2 months;
 - > Appointed National Landlord Services Manager (July) and telemarketers (September) to further drive volume;
 - > Commenced alliance partnership development and trade show exhibitions;

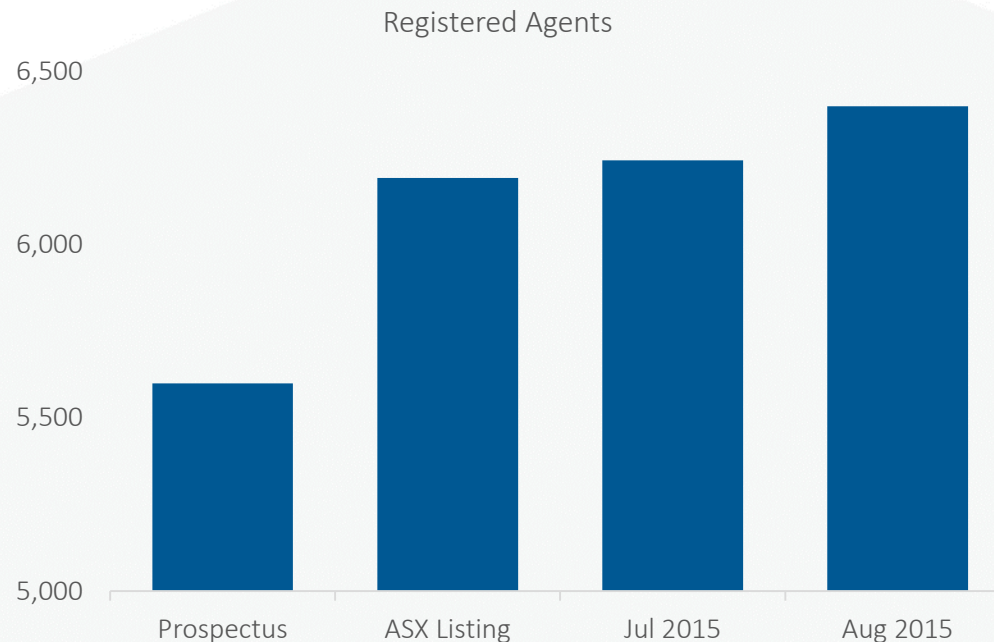

Good Progress Against Core Objectives (cont.)

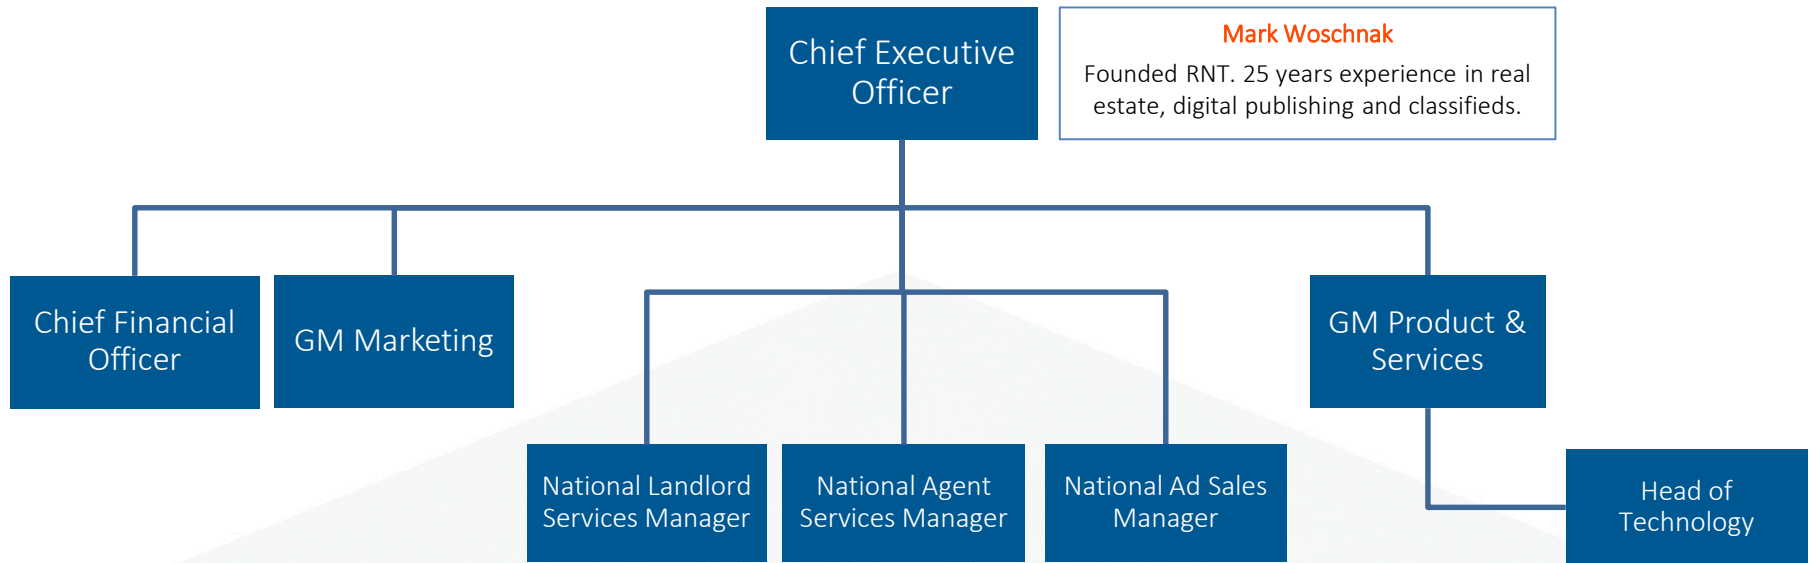

RNT has made good progress on its three immediate commercialisation objectives in the 2 months since listing:

3. Increase content from and sales to property agents:

- > Grown agent base from 5,600 to 6,400 (+14%) since prospectus;
- > Streamlined customer offering;
- > Appointed first field sales managers and planned telemarketers to drive further sales;
- > Commencement of marketing via print media and industry conferences;
