

ASX RELEASE – 9 September 2015

ABT Receives First Orders from Poland Distributor

Advanced Braking Technology Ltd (ASX: ABV) ('ABT' or 'the Company') is pleased to advise that it has received its first orders from its Polish distributor Dom Samochodowy Germaz SP (Germaz). ABT will supply an initial quantity of 25 SIBS 4 brake sets for their own modified underground vehicle, which they have been successfully marketing to mining companies in Eastern Europe. The value of the initial order is \$0.35m, with further orders anticipated later in the financial year.

Graeme Sumner, ABT's Managing Director commented, "We are pleased to see our strategy of extending our distribution channels is beginning to bear fruit. The market in which Germaz operates has a lot of potential and we are looking forward to developing further opportunities with them."
