ASX Release

ADDENDA TO ANNUAL REPORT

The following information covering required responses to Listing Rule 5.21 in relation to Annual Report requirements for Mineral Resource Statements is provided as an addenda to the 2015 Annual Report for Iron Mountain Mining Ltd (ASX: IRM).

- 5.21.1 No annual review. Mineral Resource independently estimated and as announced 13 August 2012.
- 5.21.2 Mineral Resource table as announced 13 August 2012 and included in Annual Report.
- 5.21.3 No material changes to Mineral Resource.
- 5.21.4 No comparison required as no material changes against that from previous year.
- 5.21.5 All reported Mineral Resources estimated by Independent Resource Consultant with qualifications and experience applicable to the process and commodities in question and regarded as a Competent Person under JORC (2012) guidelines.
