

# EIM Capital Markets Initiating Coverage on Yellow Rock Resources

## Yellow Rock is pleased to announce the release of an “initiating coverage” research report by EIM Capital Markets

- » The Review of Yellow Rock Resources has been prepared in accordance with the PortfolioDirect rating framework.
- » The PortfolioDirect rating system scores a Phase I company on its potential to confirm a commercially viable development within an acceptable investment timeframe. The rating is a product of the underlying asset quality and the investment risk profile.
- » The report can be viewed on the company’s website at <http://yellowrock.com.au> under the tab Investor+Media – Broker Research.
