1-Page announces three new industry leading clients signed to the 1-Page Sourcing Platform, including:

- A Fortune 500 financial intelligence company listed on the New York Stock Exchange with a market capitalization of more than US\$8.5B and approximately 17,000 employees
- A top-tier global provider of healthcare & pharmaceutical consulting, that has 14,000 employees which provide services to clients in 70 countries
- A software company listed on the NASDAQ with a market capitalization of more than US\$8B, and with more than 3,500 employees.

1-Page Limited (ASX:1PG) (“1-Page”) is pleased to advise it has expanded its industry vertical reach by signing three additional enterprises to the 1-Page Sourcing Platform, helping them find, attract, and engage in-demand talent.

The above mentioned clients have a major pain point, with more than 2,000 current open roles.

To solve this problem, 1-Page is delivering pre-filled Curated Talent Pools, with identified prospective candidates based on the specific requirements needed to fill these open roles, and which have the greatest affinity to the client.
