DATED: 12 OCTOBER 2015

BY ORDER OF THE BOARD

HENKO VOS
COMPANY SECRETARY

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting to be held at 10.00 am (WST) on 19 November 2015 at c/- Nexia Perth, Level 3, 88 William Street, Perth, Western Australia.

The purpose of this Explanatory Statement is to provide information which the directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. ANNUAL REPORT

Section 317 of the Corporations Act requires the reports of the directors and of the auditors and the Annual Report, including the financial statements to be put before the Annual General Meeting and the Constitution provides for those reports and statements to be received and considered at the Annual General Meeting. Neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the reports or statements. However, Shareholders will be given the opportunity to raise questions on the reports and the statements at the Annual General Meeting.

The Company's 2015 Annual Report is available at www.ephraimresources.com.au. Those shareholders that elected to receive a printed copy of the Annual Report will have received a copy with this Notice of Annual General Meeting.

2. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

The Remuneration Report is in the Directors Report section of the Company's Annual Report.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out remuneration details for each Director and each of the Company's executives named in the Remuneration Report for the financial year ended 30 June 2015.

Section 250R(2) of the Corporations Act requires companies to put a resolution to their members that the Remuneration Report be adopted. The vote on this resolution is advisory only, however, and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

The Chairman will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution that a further meeting is held at which all of the Company's Directors (other than the Managing Director) must go up for re-election. Voting on this resolution will be determined by a poll at the meeting rather than a show of hands.

Undirected proxies

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairman with an express authorisation to vote the proxy in accordance with the Chairman's intention.

Any undirected proxies held by any other key management personnel or any of their closely related parties will not be voted on this resolution.

Key management personnel of the Company has the same meaning as set out in the accounting standards and includes the Directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2015. Their closely related parties are defined in the Corporations Act, and include certain members of their family, dependents and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF MR MICHAEL PIXLEY AS A DIRECTOR

ASX Listing Rule 14.4 and Clause 13.2 of the Constitution provide that a re-election of Directors must be held at each annual general meeting. The Directors to retire are to be those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement. Mr Pixley retires from office in accordance with these requirements and being eligible, offers himself for re-election by shareholders as a director of the Company, with effect from the end of the meeting.

Mr Pixley has worked as a merchant banker specialising in strategic corporate development, joint ventures and acquisitions. He has 20 years' experience in the Asian business sector, and has extensive networks and relationships that will provide the Company with access to key personnel in the government, corporate and private business sectors, particularly in Asia Pacific region.

Mr Pixley has been a director of both listed and unlisted companies in Australia and the United States, being responsible for corporate compliance, banking negotiations and legal interface. In addition, in 1992 Mr Pixley joined a prominent Asian group with both listed and private companies having extensive business interests throughout Asia, the United States of America and Australia. He was part of a management team which, over a period of 10 years, oversaw the development of industrial properties throughout China, developments in Australia and the expansion of industrial manufacturing plants in Asia.

Mr Pixley is currently a director of Pan Asia Corporations Limited and Story-I Limited.

Mr Pixley is the Chairman of the Audit and Risk Management Committee.

Mr Pixley resides in Perth.

The Board unanimously recommends that shareholders vote in favour of the re-election of Mr Pixley as a director.

4. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT FACILITY

4.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) below).

The Directors of the Company believe that Resolution 3 is in the best interests of the Company because if the current pilot commercial cultivation program is successful over the next 6 to 12 months, this resolution provides the ability for the Company to raise additional funds quickly. Such funds may be used to strengthen the Company's working capital position, to acquire further land-use rights and /or other plant and equipment required for product or production enhancement or research.

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.

4.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of Equity Securities, namely quoted Shares and unquoted Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid shares on issue 12 months before the date of issue or agreement:

- (a) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (b) plus the number of partly paid shares that became fully paid in the 12 months;
- (c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (d) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 1,540,000,642 Shares, meaning the Company has the capacity to issue:

- (i) 231,000,096 Equity Securities under Listing Rule 7.1; and
- (ii) 154,000,064 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) above).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

4.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

4.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) **Minimum Issue Price**

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) Risk of economic and voting dilution

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Listed Options, only if the Listed Options are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.003 50% decrease in Issue Price	\$0.005 Issue Price	\$0.008 50% increase in Issue Price
Current Variable A 1,540,000,642 Shares	10% Voting Dilution	154,000,064 shares	154,000,064 shares	154,000,064 shares
	Funds raised	\$462,000	\$770,000	\$1,232,001
50% increase in current Variable A 2,310,000,963 Shares	10% Voting Dilution	231,000,096 shares	231,000,096 shares	231,000,096 shares
	Funds raised	\$693,000	\$1,155,000	\$1,848,001
100% increase in current Variable A 3,080,001,284 Shares	10% Voting Dilution	308,000,128 shares	308,000,128 shares	308,000,128 shares
	Funds raised	\$924,000	\$1,540,001	\$2,464,001

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) None of the 18,000,000 unlisted Options on issue are exercised into Shares before the date of the issue of the Equity Securities;
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue price is \$0.005, being the closing price of the Shares on ASX on 9 October 2015.

(c) Period within which the 10% Placement Facility can be implemented

The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

(d) Purpose for which the 10% Placement Facility may be implemented

The Company may seek to issue the Equity Securities for the following purposes:

- (i) non-cash consideration for the acquisition of the new resources assets, including land, and investment in plant and equipment. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets, including land or investments (including expenses associated with such acquisition), continued research and development activities on the cultivation and sapping of nipah palms and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation policy when the 10% Placement Facility may be implemented

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

(f) Prior Approvals under Listing Rule 7.1A

The Company has previously obtained Shareholder approval under ASX Listing Rule 7.1A at its annual general meeting held on 21 November 2014.

In accordance with Listing Rule 7.3 A.6 the total number of Equity Securities issued in the 12 months preceding the date of this meeting is 18,000,000 representing 1.17% of the Equity Securities on issue at the commencement of the 12 month period. These unlisted options were issued to Directors following approval at the annual general meeting held on 21 November 2014.

The Company has issued the following Equity Securities in the 12 months preceding the date of this meeting:

Date of Issue	11 December 2014
Number of Securities	18,000,000
Class	Unlisted Options
Terms of Class / Issue	Exercise Price of \$0.00508 per Option, expiry date of 30 November 2017.
Issue Price	Nil
Discount to Market Price at date of issue	N/A
Total cash consideration	Nil
Use of cash consideration	N/A
Total non cash consideration paid and current value	N/A - Options were issued as an incentive to directors of the Company. Value = \$46,569 ⁽ⁱ⁾
Allottees of Equity Securities issued or Basis of Issue	Messrs Pynt, Ng and Pixley (Directors of the Company).

- (i) The value of the Options is measured using the Black & Scholes option pricing model. Measurement inputs include the share price on the measurement date, the exercise price, the term of the Option, the expected volatility of the underlying Share, the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).

(g) Voting Exclusions

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities utilising this 10% Placement Facility following the 2015 Annual General Meeting. No existing Shareholder's votes will therefore be excluded under the voting.

2. If you wish to appoint the Chairman of the Meeting as your proxy, mark the box. If the person you wish to appoint as your proxy is someone other than the Chairman of the Meeting, please write the full name of that individual or body corporate in the space provided. If you leave both the box and this section blank, or your named proxy does not attend the meeting, the Chairman of the Meeting will be your proxy. A proxy need not be a security holder of the Company. A proxy may be an individual or a body corporate.

If your appointment of a proxy specifies the way the proxy is to vote on a particular resolution and your appointed proxy is not the Chairman of the meeting and at the meeting a poll is duly demanded on the question that the resolution be passed, then if either your proxy is not recorded as attending the meeting (if a record of attendance is made) or your proxy does not vote on the resolution, the Chairman is taken, before voting on the resolution closes, to have been appointed as your proxy for the purposes of voting on the resolution at that meeting.

3. You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction, unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of securities you wish to vote in the appropriate place. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

If you direct your proxy how to vote on a particular resolution, the proxy need not vote on a show of hands but if the proxy does so, the proxy must vote as directed. If the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands. If the proxy is the Chairman, the proxy must vote on a poll, and must vote as directed and if the proxy is not the Chairman, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote as directed. If any member of the Key Management Personnel of the Company, other than the Chairman of the Meeting, or a Closely Related Party of a member of the Key Management Personnel is your nominated proxy and you have not directed the proxy how to vote on Resolution 1 (Remuneration Report), that person will not cast any votes on Resolution 1.

4. Where a member's holding is in one name the holder must sign. Where the holding is in more than one name, all members should sign.
5. Where a Proxy Form of a corporate representative is lodged and is executed under a power of attorney, the power of attorney must be lodged in like manner as this Proxy Form.
6. Corporate members should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of Section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:
 - 2 directors of the company;
 - a director and a company secretary of the company; or
 - for a proprietary company that has a sole director who is also the sole company secretary – that director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the Corporations Act, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who witnesses the affixing of a common seal and who is the sole director and sole company secretary of the company must state that next to his or her signature.

7. Completion of a Proxy Form will not prevent individual members from attending the Annual General Meeting in person if they wish. Where a member completes and lodges a valid Proxy Form and attends the Annual General Meeting in person, then the proxy's authority to speak and vote for that member is suspended while the member is present at the Annual General Meeting.
8. To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) post to Ephraim Resources Limited, c/- Nexia Perth, GPO Box 2570, Perth, Western Australia; or
 - (b) facsimile to the Company on facsimile number +61 8 9463 2499; or

so that it is received not later than 10.00 am (WST) on 17 November 2015.

Proxy forms received later than this time will be invalid.
