ABOUT RENT.COM.AU

Rent.com.au is the only national web portal in Australia that focuses entirely on the property rental market which includes listings from both property agents and non-agent private landlords. Rent.com.au was established in 2007 by experienced real estate and new media entrepreneur Mr. Mark Woschnak. Mr Woschnak has more than 25 years' experience in real estate, digital publishing and classified services.

Since inception, Rent.com.au has focused on the development of the necessary technology, product alliances and critical mass of content to be ready to fully commercialise the platform. It is now a top ten national property website and has recently listed on the ASX following a successful capital raising of \$5 million at 20c per share from sophisticated and high net worth investors. The capital raised will be used to commence commercialising the site by deploying a national marketing campaign to increase traffic to the site and agent listings content, and commence shifting the large volume of offline non-agent landlord listings to online at rent.com.au.
