

PRESS RELEASE

26 OCTOBER 2015

FIRST GOLD POUR FOR METALS X AT CMGP

The Board of Metals X Limited (“Metals X”) is pleased to announce that it has today reached another major milestone at its Central Murchison Gold Project (CMGP) with the pouring of the first gold bar from the Bluebird processing plant.

Wet commissioning of the Bluebird plant commenced on Friday, 16 October and has now been fully commissioned with the pouring of an 11.76kg gold doré bar predominately from the production of gravity concentrates.

The plant is continuing to be optimised and is operating at an average throughput rate in excess of 200tph.
