IMPORTANT INFORMATION

TIME AND PLACE OF MEETING

Notice is given that the meeting of the Shareholders to which this Notice of Meeting relates will be held at 1:00pm (WST) on 27 November 2015 at:

HLB Mann Judd Boardroom

Level 4, 130 Stirling Street

Perth, Western Australia.

YOUR VOTE IS IMPORTANT

The business of the Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 4:00pm (WST) on 25 November 2015.

VOTING IN PERSON

To vote in person, attend the Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and

- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the Chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

DATED: 22 OCTOBER 2015

BY ORDER OF THE BOARD

**PHILLIP MACLEOD
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information that the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 30 June 2015 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so. The Company's Annual Report is available on its website at www.canyonresources.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the Directors of the company.

The remuneration report sets out the company's remuneration arrangements for the Directors and senior management of the company. The remuneration report is part of the Directors' report contained in the annual financial report of the company for a financial year.

The Chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of Directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors of the company who were in office when the Directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the Managing Director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the company is approved will be the Directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3. RESOLUTION 2 – APPROVAL OF 10% PLACEMENT CAPACITY

3.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 2, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 5.2 below).

The effect of Resolution 2 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 2 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 2 for it to be passed.

3.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$7.7 million based on the number of Shares on issue as at 21 October 2015 (144,079,928) plus the additional Shares expected to be issued on or before 30 October 2015 as announced on 16 October 2015 (10,000,000) and the closing price of Shares (\$0.05) on the ASX on 21 October 2015.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has three classes of quoted Equity Securities on issue, being the Shares (ASX Code: CAY) and two series of Options (ASX Code: CAYO and CAYOA). The Company also has unquoted Options and convertible securities on issue.

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

3.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 2:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 3.3(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and

the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid); **(10% Placement Capacity Period)**.

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 2 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A')	Dilution			
	Issue Price (per Share)	2.5 cents 50% decrease in Issue Price	5 cents Issue Price	7.5 cents 50% increase in Issue Price
154,079,928 (Current)	Shares issued	15,407,992 Shares	15,407,992 Shares	15,407,992 Shares
	Funds raised	\$385,200	\$770,400	\$1,155,599
231,119,892 (50% increase)	Shares issued	23,111,989 Shares	23,111,989 Shares	23,111,989 Shares
	Funds raised	\$577,800	\$1,155,599	\$1,733,399
308,159,856 (100% increase)	Shares issued	30,815,985 Shares	30,815,985 Shares	30,815,985 Shares
	Funds raised	\$770,400	\$1,540,799	\$2,311,199

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 154,079,928 Shares on issue (being the number on issue as at 21 October 2015 (144,079,928) plus the additional 10,000,000 Shares expected to be issued on or before 30 October 2015 as announced on 16 October 2015).
2. The issue price set out above is the closing price of the Shares on the ASX on 21 October 2015.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for the acquisition of new mineral resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current mineral assets and general working capital; or
- (ii) as non-cash consideration for the acquisition of new resources, mineral assets and investments (including expenses associated with such acquisitions) or for the payment of goods or services provided to the Company. In such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 6,250,000 Shares issued and Resolution 5 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 3,125,000 Attaching Options issued.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

6.2 Resolution 6

Resolution 6 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 10,000,000 Shares.

Where an eligible entity obtains shareholder approval to increase its placement capacity under ASX Listing Rule 7.1A then any ordinary securities issued under that additional placement capacity:

- (a) will not be counted in variable "A" in the formula in ASX Listing Rule 7.1A; and
- (b) are counted in variable "E",

until their issue has been ratified under ASX Listing Rule 7.4 or 12 months has passed since their issue.

By ratifying the issue the subject of Resolution 6 (and assuming the approval of Resolution 2), the base figure (ie variable 'A') in which the Company's 15% and 10% annual placement capacities are calculated will be a higher number and the 10% annual placement capacity remaining available will not be reduced by the quantity of securities referred to in Resolution 6 which in turn will allow a higher number of securities to be issued without prior Shareholder approval.

6.3 Resolution 7

Resolution 7 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 10,000,000 Notes.

A summary of ASX Listing Rules 7.1 and 7.4 is outlined in Section 5.1 above.

Should Resolution 8 not be passed, the Company will still be obligated to issue these Options and will need to do so under its 15% placement capacity under ASX Listing Rule 7.1. The use of this 15% placement capacity for this purpose may hinder the Company's future ability to raise funds in a timely manner without Shareholder approval until the previous issue had been ratified or 12 months, whichever is the sooner.

10. RESOLUTIONS 12 TO 14 – APPROVAL TO ISSUE DIRECTOR INCENTIVE OPTIONS

10.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue up to a total of 10,000,000 Options (**Director Incentive Options**) to Messrs Phillip Gallagher, Rhoderick Grivas and David Netherway (or their respective nominees) (**Related Parties**) on the terms and conditions set out below.

10.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Director Incentive Options constitutes giving a financial benefit and Messrs Gallagher, Grivas and Netherway are related parties of the Company by virtue of being Directors.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought pursuant to section 208 of the Corporations Act for the grant of Director Incentive Options to the Related Parties.

10.3 Shareholder Approval (Chapter 2E of the Corporations Act – Related Party Transactions)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act, the following information is provided in relation to the proposed grant of Director Incentive Options:

(a) **The related parties to whom the proposed Resolutions would permit the financial benefit to be given**

The related parties are Phillip Gallagher (Resolution 12), Rhoderick Grivas (Resolution 13) and David Netherway (Resolution 14) or their respective nominees and they are related parties by virtue of being Directors.

(b) **The nature of the financial benefit**

The maximum number of Director Incentive Options (being the nature of the financial benefit provided) to be granted to the Related Parties is:

- (i) 3,000,000 Director Incentive Options A and 2,000,000 Director Incentive Options B to Phillip Gallagher (or his nominee);
- (ii) 2,000,000 Director Incentive Options A and 1,000,000 Director Incentive Options B to Rhoderick Grivas (or his nominee); and
- (iii) 2,000,000 Director Incentive Options A to David Netherway (or his nominee).

The terms and conditions of the Director Incentive Options A are set out in Schedule 5 and Director Incentive Options B are set out in Schedule 6.

(c) **Directors Recommendation and Basis of Financial Benefit**

The Board currently consists of Phillip Gallagher, Rhoderick Grivas and David Netherway.

By Resolutions 12, 13 and 14 the Company is proposing to grant Director Incentive Options to each of the Directors (or their respective nominees). In each case, the number of Director Incentive Options to be granted was and the terms of the Director Incentive Options were negotiated by the Directors independent of the particular Related Party to be granted the Director Incentive Options.

The purpose of the grant of the Director Incentive Options to the Related Parties is to provide each Director with added incentive to achieve the goals set by the Board which are aimed at adding Shareholder value. The Director Incentive Options are issued as part of each Director's remuneration package.

The independent Directors in each case consider that the quantity of Director Incentive Options together with the terms of the Director Incentive Options constitute an appropriate number to adequately incentivise the Directors in light of that Director's skill and experience and their current remuneration as detailed below.

The Board acknowledges that the grant of the Director Incentive Options to David Netherway as a non-executive Director is contrary to guidelines for non-executive remuneration in Recommendation 8.2 of The Corporate Governance Principles and Recommendations (3rd Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of the Director Incentive Options to be reasonable in the circumstances given the Company's size and stage of development and the importance of maintaining the Company's cash reserves.

Phillip Gallagher declines to make a recommendation to Shareholders in relation to Resolution 12 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Director Incentive

Options in the Company should Resolution 12 be passed. However, in respect of Resolutions 13 and 14 Mr Gallagher recommends that Shareholders vote in favour of those Resolutions for the following reasons:

- (i) the grant of Director Incentive Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
- (ii) the grant of the Director Incentive Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
- (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Director Incentive Options upon the terms proposed.

Rhoderick Grivas declines to make a recommendation to Shareholders in relation to Resolution 13 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Director Incentive Options in the Company should Resolution 13 be passed. However, in respect of Resolutions 12 and 14 Mr Grivas recommends that Shareholders vote in favour of those Resolutions for the reasons set out in (i) to (iii) above.

David Netherway declines to make a recommendation to Shareholders in relation to Resolution 14 due to his material personal interest in the outcome of the Resolution on the basis that he is to be granted Director Incentive Options in the Company should Resolution 14 be passed. However, in respect of Resolutions 12 and 13 Mr Netherway recommends that Shareholders vote in favour of those Resolutions for the reasons set out in (i) to (iii) above.

In forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Director Incentive Options to be granted as well as the exercise price and expiry date of those Director Incentive Options.

(d) **Dilution**

The passing of Resolutions 12, 13 and 14 would have the effect of granting up to 10,000,000 Director Incentive Options.

If any of the Director Incentive Options are exercised into Shares, the effect would be to dilute the shareholding of existing Shareholders. If all the Director Incentive Options are exercised, a total of 10,000,000 Shares would be issued. This will increase the number of Shares on issue from 154,079,928 (based on the Shares on issue as at 21 October 2015 (144,079,928) plus the additional Shares expected to be issued on or before 30 October 2015 as announced on 16 October 2015 (10,000,000)) to 164,079,928 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of the existing Shareholders would be diluted by an aggregate of 6.1%, comprising 3.1% by Phillip Gallagher, 1.8% by Rhoderick Grivas and 1.2% by David Netherway.

The market price for Shares during the term of the Director Incentive Options would normally determine whether or not the Director Incentive Options are exercised. If, at any time any of the Director Incentive Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Director Incentive Options, there may be a perceived cost to the Company.

The actual dilution will depend on the extent of further equity raised by the Company and whether any of the Director Incentive Options are exercised.

(e) **Total Remuneration Package of Related Parties**

The following table shows the total annual remuneration paid by the Company to both executive and non-executive directors for the two most recent completed financial years and the proposed annual remuneration for the current financial year (inclusive of superannuation).

(g) **Trading History**

The following table gives details of the highest, lowest and the latest price of the Company's Shares trading on the ASX in the 12 months before the date of this Notice.

Lowest Price	29 April 2015	3.4 cents
Latest Price	21 October 2015	5 cents

(h) **Valuation of Director Incentive Options**

The Director Incentive Options will not be quoted on ASX.

The Company has valued the Director Incentive Options to be granted to the Related Parties or their nominees using the Black & Scholes option model.

The following assumptions have been made regarding the inputs required for the option pricing module:

Input		Note
Number of options to related parties:	10,000,000	
Underlying security spot price:	5 cents	1
Exercise price: Incentive Options A Incentive Options B	7 cents 10 cents	2
Dividend rate:	Nil	3
Volatility rate:	95.7%	4
Risk free interest rate:	1.9%	5
Expiry Date:	30 September 2018	6

Note 1 The underlying security spot price used for the purposes of this valuation is based on the closing price of Shares on the valuation date of 21 October 2015 which was 5 cents.

Note 2 The exercise price is 7 cents for the Director Incentive Options A and 10 cents for the Director Incentive Options B.

Note 3 As at the date of the valuation, the Company had not forecast any future dividend payments. For the purposes of the valuation it is therefore assumed that the Company's share price is "ex-dividend". If dividend payments were forecast, the value of the Director Incentive Options would be reduced.

Note 4 A volatility rate of 95.7% has been adopted. This rate has been calculated by reference to the closing price volatility for the Shares of the Company for the previous two years.

Note 5 The risk free rate is 1.9% based on the current Reserve Bank Treasury Bond rates.

Note 6 The Expiry Date is 30 September 2018.

As the Director Incentive Options are not listed, a 30% marketability discount has been applied to the values.

Based on the above assumptions the Options proposed to be issued to Directors have been valued as follows:

Number and Value of Director Incentive Options	
	Director Incentive Options
Phillip Gallagher	3,000,000 Director Incentive Options A – 1.85 cents each 2,000,000 Director Incentive Options B – 1.58 cents each (total value - \$87,246)
Rhoderick Grivas	2,000,000 Director Incentive Options A – 1.85 cents each 1,000,000 Director Incentive Options B – 1.58 cents each (total value - \$52,882)
David Netherway	2,000,000 Director Incentive Options A – 1.85 cents each (total value - \$37,037)

(i) **Other Information**

The Directors are not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision as to whether it is in the best interests of the Company to pass Resolutions 12, 13 and 14.

10.4 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

Phillip Gallagher, Rhoderick Grivas and David Netherway are Directors and as such are related parties of the Company.

It is the view of the Company that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is also sought pursuant to ASX Listing Rule 10.11 for the grant of Director Incentive Options to the Related Parties.

If approval to grant the Director Incentive Options to the Related Parties is obtained under ASX Listing Rule 10.11, approval is not required under ASX Listing Rule 7.1. Accordingly, the issue of the Incentive Director Incentive Options to the Related Parties will not be included in the Company's 15% annual placement capacity calculation.

ASX Listing Rule 10.13 provides that the notice of meeting to approve the issue of securities under ASX Listing Rule 10.11 must include certain information.

For the purposes of ASX Listing Rule 10.13, the following information is provided to Shareholders in relation to Resolutions 12, 13 and 14:

- (a) The Director Incentive Options will be granted to Phillip Gallagher (Resolution 12), Rhoderick Grivas (Resolution 13) and David Netherway (Resolution 14) or their respective nominees;
- (b) The maximum number of securities the Company will grant is:
 - 3,000,000 Director Incentive Options A and 2,000,000 Director Incentive Options B to Phillip Gallagher (or his nominees);

- (c) The Director Incentive Options will be granted no later than 1 month after the date of this Meeting (or a later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Options will occur on the same date;
- (d) Phillip Gallagher, Rhoderick Grivas and David Netherway as Directors are related parties;
- (e) The Director Incentive Options are granted for nil consideration;
- (f) The exercise price of the Director Incentive Options A is 7 cents. The exercise price of the Director Incentive Options B is 10 cents. Instructions for Completing Proxy Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) post to Canyon Resources Limited, PO Box 270, West Perth WA 6872; or
 - (b) facsimile to the Company on facsimile number +61 8 9389 1464; or
 - (c) email to the Company at pmacleod@gapcs.com.au,

so that it is received not less than 48 hours prior to commencement of the Meeting.

Proxy Forms received later than this time will be invalid.
