

ACTIVITIES REPORT SEPTEMBER QUARTER 2015

GTI board continues to exhaust all avenues in locating a suitable opportunity that would advance the Company and all shareholders interests.

Currently a number of opportunities are under review and the board is confident of a successful outcome.

During the quarter Hastings Rare Metals Ltd (HRM) approached GTI with an offer of \$50,000 as a final payment against GTI's interest in a proposed bankable feasibility study following a successful funding of the (HRM) project. GTI accepted the offer.

Following advice from the geological team GTI intends to acquire certain gold exploration tenements that have been identified as of interest. Funding for this acquisition will be completed in the fourth quarter.

Shareholders will continue to be fully informed of progress on developments, as they advance past the preliminary stage.

The board continues to investigate alternative funding opportunities to provide ongoing working capital to the Company, including potential capital raisings however no decision has been made on a raising at this stage. Other funding alternatives include short term unsecured borrowings and joint venture opportunities.

In the interim short term funding requirements are being satisfied by small placements, asset sales and unsecured loans from directors on an as required basis. The Company is of the belief that it will have sufficient working capital and financial support to fund ongoing activities.
