VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 11:00am (WST) on 28 November 2015.

VOTING IN PERSON

To vote in person, attend the Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting, and must vote as directed.

BUSINESS OF THE MEETING

AGENDA

Financial Statements and Reports

To receive and consider the Annual Financial Report of the Company for the financial year ended 30 June 2015 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the Auditor's Report.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **non-binding resolution**:

“That, for the purposes of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report as contained in the Company’s Annual Financial Report for the financial year ended 30 June 2015.”

Note: the vote on this Resolution is advisory only and does not bind the Directors or the Company.

Voting Prohibition Statement:

A vote on this Resolution must not be cast (in any capacity) by or on behalf of either of the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

2. RESOLUTION 2 – APPROVAL OF 10% PLACEMENT CAPACITY

To consider and, if thought fit, to pass the following resolution as a **special resolution**:

“That, for the purposes of Listing Rule 7.1A and for all other purposes, approval is given for the issue of Equity Securities totalling up to 10% of the issued capital of the Company at the time of issue, calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 and on the terms and conditions set out in the Explanatory Statement.”

Voting Exclusion: The Company will disregard any votes cast on this Resolution by any person who may participate in the issue of Equity Securities under this Resolution and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities,

if the Resolution is passed and any associates of those persons. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

3. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR ANDREW WORLAND

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purpose of clause 13.2 of the Constitution, ASX Listing Rule 14.4 and for all other purposes, Mr Andrew Worland, a Director, retires by rotation, and being eligible, is re-elected as a Director.”

Short Explanation: In accordance with ASX Listing Rule 14.4 (rotation of Directors) and the Company’s Constitution, one third of the Directors must retire by rotation at every Annual General Meeting. Accordingly, Mr Worland retires by rotation and being eligible for re-election, offers himself for re-election at the Meeting.

DATED: 27 OCTOBER 2015

BY ORDER OF THE BOARD

**SARAH SMITH
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 30 June 2015 together with the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Company's Annual Financial Report to Shareholders unless specifically requested to do so. The Company's Annual Financial Report is available on the Company website at <http://www.continuationinvestments.com.au/>.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous Annual General Meeting the votes cast against the Remuneration Report considered at that Annual General Meeting were less than 25%. Accordingly the Spill Resolution is not relevant for this Annual General Meeting.

1.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

2. RESOLUTION 2 – APPROVAL OF 10% PLACEMENT CAPACITY

2.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve this Resolution, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 2.2 below).

The effect of this Resolution will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

This Resolution is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of this Resolution for it to be passed.

2.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its Annual General Meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant Annual General Meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$3,181,225 (assuming a share price of \$0.155).

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has 1 class of quoted Equity Securities on issue, being the Shares (ASX Code: COT).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

2.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section (i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Shares on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	50% decrease in Issue Price \$0.0775	Issue Price \$0.155	100% increase in Issue Price \$0.310
20,524,033 (Current Variable A)	Shares issued - 10% voting dilution	2,052,403	2,052,403	2,052,403
	Funds raised	\$159,061	\$318,123	\$636,245
30,786,050 (50% increase in Variable A)	Shares issued - 10% voting dilution	3,078,605	3,078,605	3,078,605
	Funds raised	\$238,592	\$477,184	\$954,368
41,048,066 (100% increase in Variable A)	Shares issued - 10% voting dilution	4,104,807	4,104,807	4,104,807
	Funds raised	\$318,123	\$636,245	\$1,272,490

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 20,524,033 Shares on issue as at the date of this Notice of Meeting. On 28 September 2015, the issued capital of the Company was

consolidated on the basis that every 4 shares held were consolidated into 3 Shares. The Share Consolidation was approved by shareholders at a General Meeting held 15 September 2015.

2. The issue price set out above is the closing price of the Shares on the ASX on 14 September 2015. The securities of the Company were suspended from trading prior to the commencement of trading on 15 September 2015 pending the outcome of the resolution at the Company's General Meeting to approve the change of activities. The securities will remain suspended pending compliance with Chapters 1 and 2 of the Listing Rules.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds for costs associated with the acquisition of Treasure Castle Holdings Limited which owns and operates the fine jewellery business PLUKKA, as detailed in the Notice of Meeting released to ASX on 18 August 2015, and for general working capital; or
- (i) as non-cash consideration for the acquisition of new assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new assets or investments.

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the Company's previous annual general meeting of 26 November 2014 (**Previous Approval**).

In the 12 months preceeding the date of the Meeting the Company issued a total of 7,500,000 Equity Securities (pre-consolidation) which represent 37.75% of the total number of Equity Securities on issue at 28 November 2014. The Equity Securities issued in the preceding 12 months were as follows:

Date of Issue	Ordinary Shares	Options	Issued to or basis of issue	Amount Raised Use of funds or non-cash Consideration
29 May 2015	4,875,000 shares issued shares at an issue price of \$0.08 per share. Closing price on last date at which shares were traded prior to date of issue was \$0.070 (on 26 May	-	Shares issued as part of Placement to professional and sophisticated investors to raise A\$600,000. 2,979,807 Shares issued under the Company's 15%	Funds of \$390,000 were raised for review, consideration and potential acquisition costs associated with new opportunities, and for general working capital.

	2015)		Placement Capacity under Listing Rule 7.1. 1,895,193 Shares issued under the Company's additional 10% Placement Capacity under Listing Rule 7.1A.	
2 June 2015	2,625,000 shares issued at an issue price of \$0.08 Closing price on last date at which shares were traded prior to date of issue was \$0.070 (on 26 May 2015)	-	Shares issued as part of Placement to professional and sophisticated investors to raise A\$600,000. The 2,625,000 Shares issued represents the Director participation in the Placement as approved by Shareholders at General Meeting held 2 June 2015.	Funds of \$210,000 were raised for review, consideration and potential acquisition costs associated with new opportunities, and for general working capital.

The Company's cash balance at 26 November 2014 was approximately \$1,185,970. Cash raised from issues in the previous 12 months totals approximately \$600,000 (before costs). The Company's cash balance at the date of this Notice of Meeting is approximately \$1,002,615. Funds raised have been used to fund review and consideration of new investment opportunities, and for general working capital. The remaining funds of \$1,002,615 are intended to be used to to fund the Company's acquisition of PLUKKA as detailed in the Notice of Meeting released 18 August 2015 and approved by shareholders at the General Meeting held 15 September 2015. Further, it is intended that the funds will be used for marketing, business development and general working capital following completion of the acquisition.

(g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

2.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on this Resolution.

3. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – ANDREW WORLAND

Clause 13.2 of the Constitution provides that:

- (a) At the Company's Annual General Meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third Annual General Meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election;
- (b) The Directors to retire at an Annual General Meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots;
- (c) A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election; and
- (d) In determining the number of Directors to retire, no account is to be taken of:
 - (i) a Director who only holds office until the next annual general meeting pursuant to clause 13.4 of the Constitution; and/ or
 - (ii) a Managing Director,

each of whom are exempt from retirement by rotation. However, if more than one Managing Director has been appointed by the Directors, only one of them (nominated by the Directors) is entitled to be excluded from any determination of the number of Directors to retire and/or retirement by rotation.

The Company currently has 3 Non-executive Directors and accordingly 1 must retire. Mr Worland is the Director longest in office since his last election and therefore retires by rotation and seeks re-election.

Mr Worland has 20 years' experience in the resources industry working in corporate, finance, project development and operations roles in exploration, development stage and producing ASX and TSX listed mining companies across base and precious metals, bulk commodities and strategic minerals. Mr Worland is currently General Manager for ASX listed Toro Energy Limited.

Where I/we have appointed the Chair as my/our proxy (or where the Chair becomes my/our proxy by default), I/we expressly authorise the Chair to exercise my/our proxy on Resolution 1 (except where I/we have indicated a different voting intention below) even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel, which includes the Chair.

The Chair intends to vote undirected proxies in favour of all Resolutions in which the Chair is entitled to vote.

Unless indicated otherwise by ticking the “for,” “against” or “abstain” box you will be authorising the Chair to vote in accordance with the Chair’s voting intention.

INSTRUCTIONS FOR COMPLETING 'APPOINTMENT OF PROXY' FORM

APPOINTING A PROXY

A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. The appointed proxy may be an individual or body corporate.

If a Body Corporate is appointed to act as your proxy then a representative of that Body Corporate must be appointed to act as its representative. When attending the meeting, the representative must bring a formal notice of appointment as per section 250D of the Corporations Act. Such notice must be signed as required by section 127 of the Corporations Act or the Body Corporate's Constitution.

If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll.

The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.

Note: If you wish to appoint a second proxy, you may copy this form but you must return both forms together.

VOTING ON BUSINESS OF MEETING

A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the number of votes that the proxy may exercise by writing the number of Shares next to the box marked for the relevant item of business.

Where a box is not marked the proxy may vote as they choose subject to the relevant laws.

Where more than one box is marked on an item the vote will be invalid on that item.

ATTENDING THE MEETING

Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish.
