¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

CORPORATE GOVERNANCE STATEMENT 2015 (CONT'D)

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
Principle 1:	Lay solid foundations for management and oversight		
1.1	A listed entity should disclose: a) The respective roles and responsibilities of its board and management; and b) Those matters expressly reserved to the board and those delegated to management.	Y	The Board Charter details the functions and responsibilities of the Board and management, including matters reserved for the Board. The duties that fall to the nomination committee under the Company's Nomination Committee Charter are included in the Corporate Governance and Policies Manual on the Company's website. The role of the Nomination Committee is to identify and recommend candidates to fill casual vacancies and to determine the appropriateness of director nominees for election to the Board. The Nomination Committee Charter requires the Board to make appropriate background checks prior to recommending a candidate for election or re-election as a director. The Board must identify and recommend candidates only after considering the necessary and desirable competencies of new Board members to ensure the appropriate mix of skills and experience and after an assessment of how the candidate can contribute to the strategic direction of the Company All material information relevant to whether or not to elect or re-elect a director is provided to the Company's shareholders as part of the Notice of Meeting and explanatory memorandum for the relevant meeting of shareholders which addresses the election or re-election of a director. The Remuneration Committee Charter, which is included in the Corporate Governance and Policies Manual on the Company's website, requires the Company to have a written agreement with each Director and senior executive setting out the terms of their engagement. Each Non-Executive Director has signed a letter of appointment.

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Y	The Remuneration Committee Charter, which is included in the Corporate Governance and Policies Manual on the Company's website, requires the Company to have a written agreement with each Director and senior executive setting out the terms of their engagement. Each Non-Executive Director has signed a letter of appointment.
1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	Y	The Company Secretary is accountable to the Board, through the Chairman, on all governance matters and reports directly to the Chairman as the representative of the Board. The Company Secretary has primary responsibility for ensuring that the Board processes and procedures run efficiently and effectively. Details are contained in Clause 4 of the Board Charter which is included in the Corporate Governance and Policies Manual on the Company's website.
1.5	A listed entity should: a) Have a diversity policy which includes requirements for the board or a relevant committee of the board to set measureable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them; b) Disclose the policy or summary of it; and c) Disclose at the end of each reporting period the measureable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either: 1) The respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity defined "senior executive" for these purposes); or 2) If the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined and published under that Act. The Company does not think that it is appropriate to state measurable objectives for achieving gender diversity due to its size and stage of development. There are no women employed by the Company. The Company currently has no full time staff members employed.

1.6	A listed entity should: a) Have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and b) Disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process. The assessment process which may be used by the Board is that each director completes a questionnaire relating to the role, composition, procedures, practices and behaviour of the Board and its members. An independent third party consultant may be used to facilitate the assessment. A Board performance review was not undertaken in the 2015 financial year.
1.7	A listed entity should: a) Have and disclose a process for periodically evaluating the performance of its senior executives; and b) Disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process. The Nomination Committee Charter is included in the Corporate Governance and Policies Manual on the Company's website. The qualifications, experience and attendance of the members of the Remuneration and Nomination Committee are disclosed in the Company's Directors' Report (contained in the 2015 Annual Report).

2.4	A majority of the board of a listed entity should be independent.	Y	There are four Directors on the Board, one of whom (Mr Chow) is an executive and therefore not independent. Mr Tsang does not consider himself to be an independent director due to his significant shareholding in the Company. He is not part of the management team and regards himself as being free of any relationship (other than that of shareholder of the Company). Mr Loh considers himself to be an independent director as he is not part of the management team and regards himself as being free of any relationship that could materially interfere with the independent exercise of his judgement. Mr Li considers himself to be an independent director as he is not part of the management team and regards himself as being free of any relationship that could materially interfere with the independent exercise of his judgement. As to the chair, Mr Chow, refer the “If not, why not” response to Recommendation 2.5. Given all the circumstances attendant upon the Company (including its objectives, the nature and extent of its actual and proposed operations, its capital base and other resources, the costs associated with a board comprised of more than the current number and the need for a board comprised of persons with a blend and diversity of traits, skills, gender, experience, expertise, entrepreneurialism, innovation, tenacity, vision and dedication in order to enliven the prospects of creating value for shareholders) it is thought by the Board that to appoint further directors (whose perceived independence is beyond doubt) or to procure the departure of one of the existing directors is unnecessary.

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
2.5	The chair of the board of a listed entity should be an independent director, and in particular, should not be the same person as the CEO of the entity.	N	The chair, who is not considered to be independent, will work quite closely with the management team. He regards himself as being free of any relationship that could materially interfere with the independent exercise of his judgement. However, he acknowledges that it might well be perceived that his role in the formation and early development and promotion of the Company and its subsidiary, his shareholding in the Company and his remuneration as a Director compromises or materially interferes with his independent exercise of judgement and ability to act in an entirely disinterested manner in all things. He does also perform the role of CEO of the Company. The Board believes given the current skills and experience of the directors, the size and development of the Company, it is appropriate that the chair and CEO are not independent. As the Company grows in scale, this matter will be monitored and amended as appropriate. Sourcing alternative directors to strictly comply with this Principle had been considered as not appropriate at this stage of the Company's development
2.6	A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as directors effectively.	Y	Induction and professional development form part of the responsibilities of the Nomination Committee as noted in the Nomination Committee Charter, which is included in the Corporate Governance and Policies Manual on the Company's website. Induction documents are provided with a written engagement letter and the Company Secretary is available to assist with the process of new Directors familiarising themselves with the Company. Professional development requirements are addressed as circumstances require.
Principle 3:	Act ethically and responsibly		
3.1	A listed entity should: a) Have a code of conduct for its directors, senior executives and employees; and b) Disclose that code or a summary of it.	Y	The Company has formulated a general Code of Conduct and a Code of Conduct for Directors and Executives which all employees and directors are expected, at a minimum, to follow. The Codes are included in the Corporate Governance and Policies Manual on the Company's website.

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
Principle 4:	Safeguard integrity in financial reporting		
4.1	The board of a listed entity should: a) Have an audit committee which: 1) Has at least three members, all of whom are non-executive directors and a majority of whom are independent directors; and 2) Is chaired by an independent director, who is not the chair of the board, And disclose: 3) The charter of the committee; 4) The relevant qualifications and experience of the members of the committee; and 5) In relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or b) If it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.	N Y Y Y Y	The Company has established an Audit Committee which comprises non-executive directors Kgai Mun Loh and Yonggang Li, and Benjamin Chow, non-independent Executive Director. Sourcing alternative directors to strictly comply with this Principle is considered expensive with costs out weighing potential benefits. The chair of the committee is Kgai Mun Loh, an independent director who is not chair of the Board. The Audit Charter is included in the Corporate Governance and Policies Manual on the Company's website. The qualifications, experience and attendance of the members of the Audit Committee are disclosed in the Company's Directors' Report (contained in the 2015 Annual Report).
4.2	The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.	Y	Under the Company's Risk Management Policy, which is included in the Corporate Governance and Policies Manual on the Company's website, the Executive Chairman/CEO and CFO will provide a written declaration of assurance that in their opinion, the financial records of the Company for the relevant reporting period have been properly maintained, comply with appropriate accounting standards and give a true and fair view of the financial position and performance of the Company and has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
4.3	A listed entity that has an AGM should ensure that its external auditor attends its AGM and is available to answer questions from security holders relevant to the audit.	Y	The Company takes all reasonable steps to ensure the external auditor is represented at each annual general meeting to answer questions concerning the conduct of the audit, the preparation and content of the auditor's report, accounting policies adopted by the Company and the independence of the auditor in relation to the conduct of the audit.

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
Principle 5:	Make timely and balanced disclosure		
5.1	A listed entity should: a) Have a written policy for complying with its continuous disclosure obligations under the Listing Rules; and b) Disclose that policy or a summary of it.	Y	The Company has adopted a Continuous Disclosure Policy, which is included in the Corporate Governance and Policies Manual on the Company's website. The Policy is designed to guide compliance with ASX Listing Rules disclosure requirements, and to ensure all Directors, senior executives and employees of the Company understand their responsibilities under the Policy.
Principle 6:	Respect the rights of shareholders		
6.1	A listed entity should provide information about itself and its governance to investors via its website.	Y	The Company has a Shareholder Communication Policy, which is included in the Corporate Governance and Policies Manual on the Company's website. The company website provides a platform to disclose official ASX releases of material information and periodic reports, press releases, notices and presentations as well as a mechanism for shareholders to contact the Company via email.

6.3	A listed entity should disclose the policies and processes it has in place to facilitate and encourage participation at meetings of security holders.	Y	The Company has a Shareholder Communication Policy, which is included in the Corporate Governance and Policies Manual on the Company's website. The Policy specifically encourages full participation of shareholders at the Annual General Meeting to ensure a high level of accountability and identification with the Company's strategy and goals and outlines the various ways in which the Company communicates with shareholders.
6.4	A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security registry electronically.	Y	Shareholders can register with the Company's share registrar to receive email notifications of when an announcement is made by the Company to ASX, including the release of annual, half-yearly and quarterly reports. Further, the Company provides information through its website enabling security holders to email the Company. The share registrar also provides the ability to email the share registrar and to receive documents by email from the share registrar.

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
7.4	A listed entity should disclose whether it has any material exposure to economic, environmental and social sustainability risks and, if it does, how it manages or intends to manage those risks.	Y	The Company does not have any material exposure to these risks. As an exploration company rather than an economic producer there is no material exposure to economic sustainability risk. Whilst not materially exposed to environmental sustainability risk, the Company has an Environmental Policy, which is included in the Corporate Governance and Policies Manual on the Company's website. Whilst not materially exposed to social sustainability risk, the Company has an Environmental Policy, which is included in the Corporate Governance and Policies Manual on the Company's website, to provide for the effective involvement of communities in decisions that affect them.

8.1	The board of a listed entity should: a) Have a remuneration committee which: 1) Has at least three members, a majority of whom are independent directors; and 2) Is chaired by an independent director, And disclose: 3) The charter of the committee; 4) The members of the committee; and 5) As at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or b) If it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and composition of remuneration for directors and senior executives and ensuring that such remuneration is appropriate and not excessive.	N N Y Y Y	The Company has established a combined Remuneration and Nomination Committee which comprises two non-executive directors Andrew Tsang and Kgai Mun Loh. The qualifications, experience and attendance of the members of the Remuneration and Nomination Committee are disclosed in the Company's Directors' Report (contained in the 2015 Annual Report).

Y	Details of the Company's policies and practices regarding the remuneration of Directors and other senior management is set out in the Remuneration Report as disclosed in the Company's Directors' Report (contained in the 2015 Annual Report).

Principle	ASX Recommendation	Conform (Y/N)	Disclosure
