## **PRODUCTION UPDATE - SHAREHOLDER INFORMATION SESSIONS**

Peninsula Energy Limited wishes to invite shareholders and prospective shareholders to attend information sessions that will be held in the second week of November 2015. Managing Director, John (Gus) Simpson, will be hosting the information sessions and will be providing attendees with information on the following:

- The NRC final inspection currently being conducted at the Lance ISR Projects in Wyoming USA;
- Commissioning and production activity going forward; and
- An update on the global uranium market and factors influencing uranium supply and demand.

The information sessions will also provide attendees with an opportunity to ask any questions that you may have in relation to these matters.
