Dear Jill

### REQUEST FOR CONTINUATION OF VOLUNTARY SUSPENSION

Nemex Resources Limited ("the Company") hereby requests ASX to continue the suspension to the quotation of its securities until the earlier of commencement of trading on 23 November 2015 and the Company making an announcement in respect of the Company's investment in Wavefront Biometric Technologies Pty Ltd (Wavefront) and in particular the outcome of the independent testing of Wavefront's technology. The Company understands the testing is complete and Wavefront is awaiting receipt of the final report.

It is expected that the suspension will end upon the release of an announcement providing details of that update and is not aware of any reason why a suspension should not be granted.

Please contact me if you have any questions about this request.

Yours sincerely

Paul Jurman

Company Secretary
