VALE BANGUN MARULI TUA NAPITUPULU “known as Ruli”

Metals of Africa Limited (ASX: MTA) (“the Company”) advises with deep regret that a valued and long-serving member of its exploration team in Mozambique passed away onsite overnight.

Metals of Africa Directors, management and staff extend their deepest sympathy and condolences to the Ruli’s family, friends and colleagues. Providing support to the family is the Company’s key focus along with the prompt repatriation of the deceased.

Ruli was a highly respected exploration geologist. His geological knowledge, sharp intellect and personal warmth made him an excellent leader; loved and respected by all who knew him.

The Company has suspended operational activity onsite whilst appropriate support is provided to its team.

It is noted that the death occurred suddenly after-hours at the exploration camp.
