KABUNI TECHNOLOGIES INC.

Kabuni Technologies Inc. is a SaaS and e-commerce company in the home design space enabling independent home design professionals to grow their business through an omni-channel retail experience under the brand name Kabuni. Kabuni's platform enables designers worldwide to collaborate with clients anywhere in the US and Canada and earn income from the sale of home décor products and furnishings from Kabuni's catalogue through curated Inspiration Boards. With a dedication to foster community within the design industry, Kabuni is building a brick-and-mortar Design Studio in Vancouver B.C. giving independent design professionals access to cutting-edge visualisation technology and up-to-date industry resources and a beautiful environment to consult with their clients. Kabuni intends to open additional Design Studios in other major metropolitan cities. Kabuni leverages proceeds from the platform to benefit local charitable organisations dedicated to combating homelessness. Kabuni is driven by the belief that good design should live in every home.
