

23 November 2015

Dear Shareholder,

Invitation to Participate in Share Purchase Plan

On 20 November 2015, 88 Energy Limited (ACN 072 964 179) (**88E** or the **Company**) announced that it had successfully completed an institutional placement of up to 300,000,000 fully paid ordinary shares at a price of \$0.01 per share to sophisticated and professional investors, raising up to approximately \$3,000,000 (**Placement**). The Placement was heavily oversubscribed.

In order to provide all eligible shareholders of the Company with the ability to participate in this capital raising, the Company is pleased to provide details of its Share Purchase Plan (**Plan**). Under the Plan, the Company is giving Eligible Shareholders and DI Holders (as defined below) the opportunity to purchase up to \$15,000 (GBP7,050¹) worth of fully paid ordinary shares in the Company (**Shares**), irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

Given the Company also expects the Plan to be well supported Shares, under the Plan will be allocated on a first come first serve basis.

The offer under the Plan (**Offer**) is intended to raise up to \$2,000,000, however the Company reserves the right, subject to the ASX Listing Rules, to raise a maximum of €4,999,999² under both the Offer and the Placement (**Maximum Amount**) on the terms and conditions (**Terms and Conditions**) contained in this announcement and the attached letter. In conjunction with the Placement, the funds raised under the Offer will provide the Company with additional funds of up to the Maximum Amount. Therefore, in accordance with Section 85 and Schedule 11A of the Financial Services and Markets Act 2000 (as amended), this document does not constitute a prospectus for the purposes of the Prospectus Rules of the Financial Conduct Authority (**FCA**) in the United Kingdom and a copy of it has not been, and will not be, reviewed by the FCA or the UK Listing Authority.

Shareholders Eligible to Participate in the Plan

The right to participate under the Plan is optional and is available exclusively to:

- (a) shareholders who are registered as holders of Shares as at the Record Date set out below and whose registered address is in Australia, New Zealand or the United Kingdom (**Eligible Shareholders**); or
- (b) depositary interest holders who are registered as holders of depositary interests (**DIs**) maintained on behalf of the Company (**DI Register**) as at the Record Date set out below and whose registered address is in Australia, New Zealand or the United Kingdom as at the relevant Record Date (see Annexure 1) (**DI Holder**),

¹ Based on an exchange rate of AUD1:GBP0.47 as at 20 November 2015.

² Being £3,499,999 based on an exchange rate of €1:£0.70 and subject to the ASX Listing Rules, \$7,428,348 based on an exchange rate of €1:\$1.48567 as at 20 November 2015, the last practical date prior to the date of this document.

unless the Shares are held on behalf of a person who resides outside Australia, New Zealand or the United Kingdom (in which case you will not be eligible to participate in respect of the shares of that person). Further, a “U.S. person” (as defined in Regulation S under the US Securities Act of 1933, as amended) (US Person) is not eligible to participate nor are people acting for the account or benefit of a US Person.

Share Purchase Plan

The Plan entitles Eligible Shareholders or DI Holders, irrespective of the size of their shareholding, to purchase up to \$15,000 worth of Shares priced at \$0.01 per Share, subject to obtaining an ASX waiver (**Waiver**), or \$0.011 per Share if the Waiver is not granted. The Company hopes to receive a decision on the Waiver within 10 days and will announce the Waiver decision as soon as possible. An issue price of \$0.01 represents a discount of 22% to the volume weighted average market price (**VWAP**) for the Shares over the last 5 days on which sales in the shares were recorded before the day on which the issue was announced on the ASX (**Price**). This proposed Price of \$0.01 per Share is the same price as Shares were offered to sophisticated and professional investors under the Placement.

The 80% VWAP of Shares traded on the ASX during the 5 trading days immediately prior to this announcement was \$0.011 (5 trading day WAP was \$0.013).

Whilst the Company intends to raise up to \$2,000,000 via the Offer, it may accept additional applications to raise up to the Maximum Amount in conjunction with the Placement.

Application will be made for the Shares in the Company to be quoted on the Australian Securities Exchange (**ASX**) and to be admitted for trading on the AIM market of the London Stock Exchange plc (**AIM**).

The Company will, in its absolute discretion, undertake a scaleback so that not more than the Maximum Amount is raised. Scaleback decisions are made by the Board, in its absolute discretion, and are final.

An outline of the Plan is set out in this letter and the enclosed Terms and Conditions. An application form for the Plan (**Application Form**) and reply paid envelope are included in this package.

Waiver

ASX Listing Rule 7.2 (Exception 15) states that the issue price of shares offered under a share purchase plan must be at least 80% of the VWAP for shares in that class, calculated over the last 5 trading days on which sales were recorded, either before the day on which the issue was announced or before the day on which the issue was made. The Company’s intended Plan issue price of \$0.01 equates to 78% of the 5 day VWAP of the Company’s Shares.

The Company is seeking the Waiver to allow the Plan issue price to be \$0.01, being the same as Shares issued under the Placement. The Waiver is being sought by the Company in order to encourage participation in the Plan by the Company’s existing shareholders and to ensure that they are treated on the same basis as the persons who participated in the Placement. The Company hopes to receive a decision on the Waiver within 10 days and will announce the Waiver decision as soon as possible.

As mentioned above, if the Waiver is not granted the issue price for Shares under the Plan will be \$0.011.

Shareholder Share Purchase Plan - Terms and Conditions

Purpose

The purpose of the Shareholder Share Purchase Plan (**the Plan**), which will be conducted in conjunction with the recently completed placement (**Placement**), is to offer shareholders of 88 Energy Limited (ACN 072 964 179) (**Company**) the opportunity to acquire additional fully paid ordinary shares in the Company (**Shares**) up to a maximum of \$15,000 (when combined with any shares issued under any share purchase plan in the 12 months preceding the date of the Plan (**ASX Limit**)). The issue price under the Plan will be \$0.01 per Share (subject to obtaining a waiver from ASX Listing Rule 7.2 (Exception 15)) (**Waiver**), or \$0.011 per Share if the Waiver is not granted. An issue price of \$0.01 per Share would represent a discount of 22% to the average market price for Shares over the last 5 days on which sales in the shares were recorded on the financial market operated by ASX Limited (**ASX**) before the day on which the issue was announced. Shares will also be issued without the need to pay brokerage costs and without the need for the Company to issue a Prospectus. The Plan is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit.

Subject to the ASX Listing Rules the maximum aggregate consideration for the Offer and the Placement is €4,999,999⁷ (**Maximum Amount**). Therefore, in accordance with Section 85 and Schedule 11A of the Financial Services and Markets Act 2000 (as amended), this document does not constitute a prospectus for the purposes of the Prospectus Rules of the Financial Conduct Authority (**FCA**) in the United Kingdom and a copy of it has not been, and will not be, reviewed by the FCA or the UK Listing Authority.

Please note that this Maximum Amount includes the Offer to the DI Holders (with a registered address in the United Kingdom) or Eligible Shareholders.

All references to "\$" or "dollars" in these Terms and Conditions are to Australian dollars.

Waiver

ASX Listing Rule 7.2 (Exception 15) states that the issue price of shares offered under a share purchase plan must be at least 80% of the volume weighted average market price (**VWAP**) for shares in that class, calculated over the last 5 trading days on which sales were recorded, either before the day on which the issue was announced or before the day on which the issue was made. The Company's intended issue price of \$0.01 equates to 78% of the 5 day VWAP of the Company's Shares.

The Company is seeking the Waiver to allow the Plan issue price to be \$0.01, being the same as Shares issued under the Placement. The Waiver is being sought by the Company in order to encourage participation in the Plan by the Company's existing shareholders and to ensure that they are treated on the same basis as the persons who participated in the Placement. The Company hopes to receive a decision on the Waiver within 10 days and will announce the Waiver decision as soon as possible.

⁷ Being £3,499,999 based on an exchange rate of €1: £0.70 and subject to the ASX Listing Rules, \$7,428,348 based on an exchange rate of €1:\$1.48567 as at 20 November 2015, the last practical date prior to the date of this document.

Shareholders Eligible to Participate

Holders of the Company's Shares that are registered with an Australian, New Zealand or United Kingdom address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds shares on behalf of another person who resides outside Australia, New Zealand or the United Kingdom.

DI holders of the Company's Shares, being holders of depositary interests in the Company at the Record Date, and whose registered address, as recorded in the register of holders of depositary interests (**DIs**) maintained on behalf of the Company (**DI Register**) is in Australia, New Zealand or the United Kingdom as at the Record Date (see Annexure 1) (**DI Holder**) may participate in the Plan.

Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders or DI Holders may not transfer their rights to any Shares offered under the Plan). Eligible Shareholders or DI Holders who wish to take up Shares issued under the Plan agree to be bound by the Company's constitution in respect of Shares issued under the Plan.

An offer may, at the discretion of the directors of the Company (**Directors**), be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12 month period is \$15,000 (GBP7,050⁸). The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the offer is available to Eligible Shareholders or DI Holders.

Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Class Order CO 09/425 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to the maximum of new Shares for each beneficiary for whom you act as custodian provided you annexe to your Application Form a certificate to the Company (**Custodian Certificate**) with the following information:

- that you held Shares on behalf of one or more other persons who are resident in Australia, New Zealand or the United Kingdom (each a **Participating Beneficiary**) at the Record Date who have subsequently instructed you to apply for Shares under the Plan on their behalf;
- the number of Participating Beneficiaries and their names and addresses;
- the number of Shares that you hold on behalf of each Participating Beneficiary;
- the dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through another custodian, to apply for on their behalf;

⁸ Based on an exchange rate of AUD1:GBP 0.47 as at 20 November 2015.

- that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act plus the application price for any other Shares issued to you as custodian for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$15,000;
- that a copy of the written offer document was given to each beneficiary; and
- where you hold shares on behalf of a beneficiary indirectly, through one or more interposed custodians, the name and address of each interposed custodian.

For the purposes of ASIC Class Order CO 09/425 you are a 'custodian' if you are a registered holder that:

- holds an Australian financial services licence that allows you to perform custodian or depositary services or operate IDPS accounts;
- is exempt from holding an Australian financial services licence by virtue of Class Order CO 03/184 or by relying on the Australian financial services licence of your master custodian under regulation 7.1.06(k) of the Corporations Regulations 2001;
- is a trustee of a self managed superannuation fund;
- is a trustee of superannuation master trusts;
- is a responsible entity of IDPS like schemes; or
- is noted on the Company's register of members as holding the shares on account of another person.

If you hold Shares as a trustee, depositary or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate, and if you would like further information on how to apply, you should contact Computershare Investor Services Pty Limited at any time from 8.30am to 5.00pm (Perth time) Monday to Friday during the Offer period.

The Company reserves the right to reject any application for Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

Price of Shares

The issue of the Shares will be as follows:

- (a) For the purposes of Eligible Shareholders, the issue price is \$0.01 per Share pursuant to the Plan (subject to the ASX waiver) (**Waiver**), or \$0.011 per Share if the Waiver is not granted.

An issue price of \$0.01 per Share represents a discount of 22% of the VWAP for the Shares over the last 5 days on which sales in the Shares were recorded before the day on which the issue was announced on the ASX (**Price**).

- (b) For the purposes of the DI Holders, the British Pound equivalent of the issue price as calculated in sub-paragraph (a) above, based on an A\$:GBP exchange rate of \$1:£0.47, being the prevailing rate as at 20 November 2015, the last practical date prior to the date of this document.

This Price is the same price as the Shares were offered to sophisticated and professional investors under the Placement

Applications and Notices

At the discretion of the Directors, the Company will send Eligible Shareholders or DI Holders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the Plan, and accompanied by these Terms and Conditions of the Plan and an Application Form. Applications will not be accepted after the Closing Date of the offer. Oversubscriptions to an offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

Placement of Shortfall

Any shortfall from the Offer may be placed at the discretion of the Directors.

Issue of Shares

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the Closing Date specified by the Directors of the Company in the relevant offer.

Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the Company from the date of issue.

Eligible Shareholders

Shareholding statements or CHESS notification will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make application for those Shares to be listed for quotation on the official list of ASX.

DI Holders

CREST is a computerised paperless share transfer and settlement system, which allows shares and other securities including DIs to be held in electronic rather than paper form. If you elect to settle through CREST, you will not receive a certificate but you will receive a credit to your stock account in CREST for any new DIs issued relating to Shares (subject to compliance with these Terms and Conditions). Further information and the terms and conditions applicable to holders of DIs is set out in Annex 1.

Modification and Termination of the Plan

The Company may modify or terminate the Plan at any time. The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any person fewer Shares than the person applied for under the Plan if the issue of Shares applied for would contravene any applicable law, rule or regulation in any jurisdiction (including without limitation the Corporations Act, the ASX Listing Rules, the AIM rules for companies or FSMA), or the requirements of any regulatory or governmental body, or may require further action to be taken by the Company including, without limitation, registration of Shares or the preparation of a prospectus in any jurisdiction.

Raising Amount and Scale back

Whilst the Company intends to raise up to \$2,000,000 via the Offer, it may accept additional applications to raise up to the Maximum Amount in conjunction with the Placement.

The Company will, in its absolute discretion, undertake a scaleback so that not more than the Maximum Amount is raised. Scaleback decisions are made by the Board, in its absolute discretion, and are final.

In the event of an oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back all applications on a first come first serve basis. If the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant application monies (as the balance of such application monies), without interest. The Directors reserve the right (in their absolute discretion) to refuse an application (in whole or in part) (and if an application is refused in whole or in part, the application monies will be returned to the applicant in full without interest and at the applicant's sole risk) if they consider that:

- it is reasonable and prudent to do so;
- the applicant is not an Eligible Shareholder or DI Holder;
- the issue of those Shares may contravene any applicable law, rule or regulation in any jurisdiction (including without limitation the Corporations Act, the ASX Listing Rules, the AIM rules for companies or the FSMA) or the requirements of any regulatory or governmental body or may require further action to be taken by the Company including, without limitation, registration of Shares or the preparation of a prospectus in any jurisdiction; or
- the applicant has not otherwise complied with these Terms and Conditions.

ANNEXURE 1

DI HOLDERS

Words and expressions used in this Annexure 1 shall, unless defined herein, be as defined in the Terms and Conditions to which this annexure is attached.

1. UK Depositary Interest Holders

(a) General

Depositary Interests or DIs are interests in the underlying Shares that can be settled electronically through CREST. The legal title to the Shares is held by a nominee of Computershare Investor Services PLC (the **Computershare Nominee**).

Whilst the Computershare Nominee is registered as the owner of Shares in the Company (pursuant to a depositary interest deed poll in respect of the Company, the Depositary Interest Deed), it holds Shares on behalf of, and for the benefit of, the holders of DIs (**DI Holders**). To the extent the Offer is being made to the Computershare Nominee, it is being made for the benefit of DI Holders on the Record Date and the Computershare Nominee will not be entitled to participate in the Offer in its own right.

If, on the Record Date, a DI Holder is a trustee or nominee (a Nominee) holding DIs on behalf of one or more other persons (each such person, a Beneficiary):

- a. the Nominee shall be entitled to submit an application for Shares (on and subject to the Terms and Conditions) on behalf of each such Beneficiary (provided the Nominee provides to the Company satisfactory evidence of each such Beneficiary's status as a Beneficiary); and
- b. the Nominee shall not be entitled to submit an application for Shares on its own behalf unless it is a beneficiary in its own right.

Each Beneficiary may only participate once in the Offer. If the Company does not receive satisfactory evidence of a Beneficiary's status in accordance with this paragraph, an application for Shares submitted by a Nominee on behalf such Beneficiary may not be accepted by the Company.

(b) Application

A DI Holder shall receive, in respect of any valid application which it may make under the Plan, and subject to the Terms and Conditions of the Plan, a credit to its stock account in CREST of such number of new DIs (**New Depositary Interests**) as is equal to the number of Shares for which an application is made.

The CREST stock account to be credited will be an account under the participant ID and member account ID that apply to the DIs held on the Record Date by the DI Holder in respect of which the New Depositary Interests have been allocated.

DI Holders who wish to apply for some or all of their entitlements to New Depositary Interests should refer to the instructions set out in this document and the Application Form. Should you need advice with regard to these procedures, please contact Computershare Investor Services PLC on +44(0) 0370 702 0000. If you are a CREST

Sponsored Member you should consult your CREST Sponsor if you wish to apply for New Depositary Interests as only your CREST Sponsor will be able to take the necessary action to make this application in CREST.

(c) Effect of Valid Application

A DI Holder who makes a valid application for New Depositary Interests will, in making an application:

- a. pay the amount payable on application in accordance with the procedures set out in the Terms and Conditions;
- b. request that the New Depositary Interests to which it is entitled be issued to it on the Terms and Conditions and subject to the constitution of the Company, the Depositary Interest Deed and the services agreement relating to DIs between the Company and the Computershare Nominee; and
- c. agree that all applications and contracts resulting therefrom shall be governed by, and construed in accordance with, the laws of England.

(d) Company's discretion as to Rejection and Validity of Applications

The Company may in its sole discretion treat as valid and binding an application which does not comply in all respects with the requirements as to validity set out or referred to in this document.

2. Market Claims

Applications for New Depositary Interests may only be made by a person who is a DI Holder on the Record Date (in accordance with paragraph 1 above).

Applications may only be made on the Application Form and may only be made by the DI Holder named in it or by a person entitled by virtue of a bona fide market claim in relation to the purchase of depositary interests through the market prior to the Record Date. The Application Form is not a negotiable document and cannot be separately traded. A DI Holder who has sold or transferred all or part of his existing depositary interest holding prior to the Record Date, should consult his broker or other professional adviser as soon as possible, as the invitation to acquire the New Depositary Interests under the Offer may be a benefit which may be claimed by the transferee from his counterparty. DI Holders who have sold all or part of their existing depositary interest should contact Computershare Investor Services PLC.
