VONEX RANKS 12TH IN FAST 50

Aleator Energy Limited (**Aleator** or the **Company**) is pleased to announce that Vonex Limited has placed 12th in the Deloitte Technology Fast 50 program that recognises and profiles Australian technology companies, public or private, that have achieved the fastest rates of annual revenue growth.

Backed by the ASX and Netsuite, the program ranks companies by percentage revenue growth over a three year period. Vonex was the highest ranking telecommunications company with 305% growth, ahead of big name peers such as Amaysim (24th), Vocus Communications (44th) and BigAir Group (49th).

Vonex CEO Brydie McKee commented, "We are very proud to rank 12th in amongst our peers in what has been a burgeoning period for the Australian technology sector. More so, we are excited by the year ahead, with the development of our game changing Oper8tor app and the continued growth of our existing business recognised."
