Award of Contracts – New Zealand

Smart Parking Ltd (ASX: SPZ) (**Company**) is pleased to advise the following:

Auckland Transport: Auckland Transport have ordered an extension of an existing parking technology installation in the Victoria Street car park, Auckland. The extension relates to 672 bays of overhead guidance showing red and green lights for availability complete with full Smartrep management software functionality. The contract includes a 3 year maintenance agreement.

Studio D4: The Company is delivering an automatic number plate recognition solution to manage access to the carpark building at the brand new Innovation Precinct in Christchurch, NZ. This solution will be tailored to meet the needs of two main clients -- Vodafone and Kathmandu. Vodafone and Kathmandu will have the ability to pre-book and secure their own visitor parking needs through the Smart Parking solution. The products and services will be delivered over an initial period of 3 years.

Studio D4 is a NZ based property consultancy and development management company that has been involved in the conception and delivery of \$400m of commercial property projects throughout New Zealand during the last 5 years.

Yours faithfully
