RTG FILES MABILO TECHNICAL REPORT (NI 43-101)

**ANNOUNCEMENT TO THE TORONTO STOCK EXCHANGE
AND AUSTRALIAN STOCK EXCHANGE**

18 DECEMBER 2015

The Board of RTG Mining Inc. ("RTG", "the Company") (**TSX Code: RTG, ASX Code: RTG**) announces that it has today filed a technical report ("the Report") for the Mabilo Copper-Gold-Iron Project in the Philippines, pursuant to National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*.

The Report provides detail on the disclosure contained in the Company's news release issued on November 5, 2015, announcing the results of the Updated Mineral Resource.

The Company confirms that there are no material differences between the results announced on November 5, 2015 and the results contained in the Report.

The Report can be found on the RTG Mining website (www.rtgmining.com) and under the Company's profile at www.sedar.com.

ABOUT RTG MINING INC

RTG Mining Inc. is a mining and exploration company listed on the main board of the Toronto Stock Exchange and Australian Securities Exchange Limited. RTG is focused on developing the high grade copper/gold/magnetite Mabilo Project and advancing exploration on the highly prospective Bunawan Project, both in the Philippines, while also identifying major new projects which will allow the Company to move quickly and safely to production.

RTG has an experienced management team (previously responsible for the development of the Masbate Gold Mine in the Philippines through CGA Mining Limited), and has B2Gold as one of its major shareholders in the Company. B2Gold is a member of both the S&P/TSX Global Gold and Global Mining Indices.

CAUTIONARY NOTE STATEMENT

Certain statements contained in this announcement constitute forward looking statements within the meaning of applicable securities laws including, among others, statements made or implied relating to the Company's objectives, strategies to achieve those objectives, the Company's beliefs, plans, estimates and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations that are not historical facts. Forward looking statements generally can be identified by words such as "objective", "may", "will", "expect", "likely", "intend", "estimate", "anticipate", "believe", "should", "plans" or similar expressions suggesting future outcomes or events. Such forward looking statements are not guarantees of future performance and reflect the Company's current beliefs based on information currently available to management. Such statements involve estimates and assumptions that are subject to a number of known and unknown risks, uncertainties and other factors inherent in the business of the Company and the risk factors discussed in the Annual Information Form and other materials filed with the securities regulatory authorities from time to time which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward looking statements. Those risks and uncertainties include, but are not limited to: the mining industry (including operational risks; risks in exploration, and development; the uncertainties involved in the discovery and delineation of mineral deposits, resources or reserves; and the uncertainty of mineral resource and mineral reserve estimates); the risk of gold, copper and other commodity price and foreign exchange rate fluctuations; the ability of the Company to fund the capital and operating expenses necessary to achieve the business objectives of the Company; the uncertainty associated with commercial negotiations and negotiating with foreign governments; the risks associated with international business activities; risks related to operating in Nigeria and the Philippines; environmental risk; the dependence on key personnel; and the ability to access capital markets.

Readers are cautioned not to place undue reliance on these forward looking statements, which speak only as of the date the statements were made and readers are advised to consider such forward looking statements in light of the risks set forth above. Except as required by applicable securities laws, the Company assumes no obligation to update or revise any forward looking statements to reflect new information or the occurrence of future events or circumstances.
