ASX / MEDIA RELEASE
ASX: GRP
18 December 2015

EXTENSION OF AUTOMATIC REMOVAL OF LONG TERM SUSPENDED ENTITIES

The Board of GRP Corporation (**GRP** or **the Company**) is pleased to announce that ASX has granted the Company an extension from the 1 January 2016 deadline for automatic removal of long-term suspended entities under ASX's Guidance Note 33 *Removal of Entities from the ASX Official List* to **11 March 2016**.

In accordance with section 3.4 of Guidance Note 33, the ASX agreed to a short extension to the 1 January 2016 deadline because the Company satisfied the ASX that it is in the final stages of implementing the acquisition of E-Collate (**E-Collate Acquisition**) that will lead to the resumption of trading in its Shares on the ASX.

The E-Collate Acquisition was first announced on 20 October 2015 and received Shareholder approval at the general meeting held on 9 December 2015. A prospectus was lodged on 14 December 2015 to allow GRP to raise the funds necessary for re-compliance with Chapters 1 and 2 of the ASX Listing Rules. This prospectus is scheduled to close on 22 December 2015 with an indicative timetable showing the relisting of GRP on the ASX in late January 2016.

The ASX has advised the Company that if it is not reinstated by the commencement of trading on 11 March 2016 it will be removed from the Official List of the ASX on that date.
