## MACA receives Letter of Intent to Award Moolart Well Open Pit Mining Contract

---

MACA Limited ('MACA') (ASX: MLD) is pleased to advise it has received a Letter of Intent from Regis Resources Limited ('Regis') (ASX: RRL) in relation to Open Pit Mining services at its expanded Moolart Well project and surrounding satellite pits including Anchor, Petra, Lancaster, Dogbolter and Gloster<sup>1</sup>. MACA has operated at the site since January 2010 and the latest award will result in MACA continuing its relationship with Regis at Moolart Well until January 2020.

The project will consist of open pit mining services including; drilling and blasting, loading and hauling. The duration of the project is expected to be approximately 60 months generating approximately \$115 million in revenue.

MACA Operations Director Geoff Baker said "we are looking forward to continuing the strong working relationship we have developed with Regis Resources over many years. The contract award in the current competitive environment is a testament to the hard work of our management and employees who have operated on the site over the last 6 years".

1 –The Gloster deposit is still subject to completion of a Definitive feasibility study and statutory approvals.
