NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that an annual general meeting of Shareholders of Transerv Energy Limited (**Company**) will be held at Level 7, 1008 Hay Street, Perth, Western Australia on Tuesday, 24 November 2015 at 10:00 am (WST) (**Meeting**).

The Explanatory Memorandum to this Notice provides additional information on matters to be considered at the Meeting. The Explanatory Memorandum and the Proxy Form form part of this Notice.

The Directors have determined pursuant to regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered as Shareholders on 22 November 2015 at 4.00pm (WST).

Terms and abbreviations used in this Notice and Explanatory Memorandum are defined in Schedule 1.

AGENDA

1. Annual Report

To table and consider the Annual Report of the Company and its controlled entities for the year ended 30 June 2015, which includes the Financial Report, the Directors' Report and the Auditor's Report.

2. Resolution 1 – Adoption of Remuneration Report

To consider, and if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution:

"That, the Remuneration Report be adopted by the Shareholders on the terms and conditions in the Explanatory Memorandum."

Voting Exclusion

In accordance with section 250R of the Corporations Act, a vote on this Resolution must not be cast by, or on behalf of, a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such member. However, a vote may be cast by such person if:

- (a) the person is acting as proxy appointed in writing and the proxy form specifies how the proxy is to vote on this Resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- (b) the person is the Chairman voting an undirected proxy which expressly authorises the Chairman to vote the proxy on a resolution connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

3. Resolution 2 – Re-election of Chairman – Mr Charles Morgan

To consider, and if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution:

"That, Mr Charles Morgan who retires in accordance with article 13.2 of the Constitution and, being eligible, offers himself for re-election, be re-elected as Chairman."

4. Resolution 3 – Approval of 10% Placement Facility

To consider, and if thought fit, to pass the following resolution as a special resolution:

"That, pursuant to and in accordance with Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 and on the terms and conditions in the Explanatory Memorandum."

Voting Exclusion

The Company will disregard any votes cast on this Resolution by a person (and any associate of such a person) who may participate in the 10% Placement Facility and a person (and any associate of such a person) who might obtain a benefit, except a benefit solely in their capacity as holder of Shares, if the Resolution is passed.

However, the Company will not disregard a vote if:

it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the Proxy Form; or

- (a) it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Dated 15th October 2015

BY ORDER OF THE BOARD

Jo-Ann Long

Company Secretary

TRANSERV ENERGY LIMITED

EXPLANATORY MEMORANDUM

1. Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in connection with the business to be conducted at the Meeting to be held at Level 7, 1008 Hay Street, Perth, Western Australia on Tuesday, 24 November 2015 at 10:00 am (WST).

This Explanatory Memorandum should be read in conjunction with and forms part of the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding whether or not to pass the Resolutions in the Notice.

A Proxy Form is located at the end of the Explanatory Memorandum.

2. Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

2.1 Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgment of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Voting Prohibition by Proxy Holders

In accordance with section 250R of the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by, or on behalf of:

- (a) a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report; or
- (b) a Closely Related Party of such member.

However, a person described above may cast a vote on Resolution 1 as proxy if the vote is not cast on behalf of a person described in subparagraphs (a) or (b) above and either:

- (a) the person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolution 1; or
- (b) the person is the Chairman and the appointment of the Chairman as proxy:
 - (i) does not specify the way the proxy is to vote on Resolution 1; and
 - (ii) expressly authorises the Chairman to exercise the proxy even if Resolution 1 is connected directly or indirectly with the remuneration of the Key Management Personnel.

3. Annual Report

There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be offered the following opportunities:

- (a) discuss the Annual Report which is online at www.transerv.com.au by clicking on the direct link;
- (b) ask questions or make comment on the management of the Company;
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five (5) business days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Adoption of Remuneration Report

Section 250R(2) of the Corporations Act provides that the Company is required to put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and reports the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

Section 250R(3) of the Corporations Act provides that Resolution 1 is advisory only and does not bind the Directors or the Company. Failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

However, the Corporations Act has been amended by the *Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2011 (Director and Executive Remuneration Act)* which received Royal Assent on 27 June 2011 and came into effect on 1 July 2011.

The Director and Executive Remuneration Act introduced new sections 250U and 250Y, amongst others, into the Corporations Act, giving Shareholders the opportunity to remove the Board if the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings (**Two Strikes Rule**).

Under the Two Strikes Rule, where a resolution on the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

At the Company's 2014 Annual General Meeting, the remuneration report was approved by over 75% of Shareholders.

In summary, if the Remuneration Report receives a 'no' vote of 25% or more at this Meeting, Shareholders should be aware that if there is a 'no' vote of 25% or more at the next annual general meeting the consequences are that all Directors may be up for re-election.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairman with an express authorization for the Chairman to vote the proxy in accordance with the Chairman's intention.

5. Resolution 2 – Re-election of Chairman – Mr Charles Morgan

Article 13.2 of the Constitution requires that one third of all Directors, or if their number is not a multiple of three, then the number nearest one-third (rounded upwards in case of doubt) must retire at each annual general meeting. Article 13.2 of the Constitution also states that a Director who retires under article 13.2 is eligible for re-election. In accordance with the Constitution, Mr. Charles Morgan will retire by rotation and, being eligible, seeks re-election.

"Mr Morgan is an experienced resources venture capitalist who has successfully identified early stage opportunities, acquired strategic assets and positions and partnered with regional and technology experts to develop those positions. Mr Morgan has extensive experience in equity capital markets and has been involved with numerous projects over a 25 year period. The bulk of these were in the resources/oil & gas industries and in the technology sector."

The Board believes that Mr. Morgan will perform the duties and responsibilities of a Chairman of the Company diligently and professionally, in the best interests of all Shareholders, and unanimously supports the re-election of Mr. Morgan

6. Resolution 3 – Approval of 10% Placement Facility

6.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

While the Company has no current intention to use the 10% Placement Facility, the Company is now seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 0 below).

As disclosed in the Company's announcements to the ASX, the Company continues actively seeking to acquire new resources assets and investments. The Company may use the 10% Placement Facility to acquire new resource assets or investments.

The Directors of the Company believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

6.2 Description of Listing Rule 7.1 A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities, being Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of shares on issue 12 months before the date of issue or agreement:
- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (B) plus the number of partly paid shares that became fully paid in the 12 months;
 - (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - (D) less the number of fully paid shares cancelled in the 12 months.
- Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.*
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 806,819,893 Shares and therefore has a capacity to issue:

- (i) 121,022,983 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being sought under Resolution 3, 80,681,989 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 0 above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within five (5) Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

6.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

6.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) 28,000,000 equity securities have been issued in the 12 months preceding the Annual General Meeting.

Name	Number	Class	Price
Jo-Ann Long	4,000,000	Unlisted Options	Nil
Ian Cockerill	24,000,000	Unlisted Options	Nil

- (b) There was no cash consideration received on the issue of the options and the options were not issued at a discount to the market price.

- (c) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (d) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (iii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.03 50% decrease in Issue Price	\$0.05 Issue Price	\$0.10 100% increase in Issue Price
Current Variable A 806,819,893	10% voting Dilution	80,681,989	80,681,989	80,681,989
	Funds Raised	\$2,420,460	\$4,034,099	\$8,068,199
50% increase in current Variable A 1,210,229,839	10% voting Dilution	121,022,984	121,022,984	121,022,984
	Funds Raised	\$3,630,690	\$6,051,149	\$12,102,298
100% increase in current Variable A 1,613,639,786	10% voting Dilution	161,363,979	161,363,979	161,363,979
	Funds Raised	\$4,840,919	\$8,068,199	\$1,613,640

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No Options are exercised into Shares before the date of the issue of the Equity Securities.
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - (vii) The issue price is \$0.05, being the closing price of the Shares on the ASX on 15th October 2015.
- (e) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of Equity Securities pursuant to the 10% Placement Facility will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (f) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of the new energy and resources assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of energy and resources assets or investments (which may include costs associated with due diligence and engagement of advisors in assessing new energy and resource assets) and/or continued exploration on the Company's existing oil and gas assets in Canada and the United States and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

- (g) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issues in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisors (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new energy or resource assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new energy or resources assets or investments.

- (h) The Company previously obtained Shareholder approval under Listing Rule 7.1A at the Company's 2014 Annual General Meeting.
- (i) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the notice.

Definitions

In this Notice and the Explanatory Memorandum:

\$ means Australian Dollars.

10% Placement Facility has the meaning given in Section 6.1.

10% Placement Period has the meaning given in Section 6.2(f).

Annual Report means the Directors' Report, the Financial Report and the Auditor's Report in respect to the financial year ended 30 June 2015.

ASX means ASX Limited (ACN 008 624 691) and, where the context permits, the Australian Securities Exchange operated by ASX.

Auditor's Report means the auditor's report on the Financial Report.

Board means the board of Directors.

Business Day has the meaning given to that term in the Listing Rules of the ASX.

Chairman means the person appointed to chair the Meeting convened by this Notice.

Closely Related Party has the meaning given in section 9 of the Corporations Act.

Company means Transerv Energy Limited ABN 68 079 432 796 and ACN 079 432 796.

Constitution means the constitution of the Company.

Corporations Act means the *Corporations Act 2001* (Cth).

Director means a director of the Company.

Directors' Report means the annual directors' report prepared under chapter 2M of the Corporations Act for the Company and its controlled entities.

Equity Securities has the same meaning as in the Listing Rules.

Explanatory Memorandum means the explanatory memorandum attached to the Notice.

Financial Report means the annual financial report prepared under Chapter 2M of the Corporations Act of the Company and its controlled entities.

Key Management Personnel means persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any Director (whether executive or otherwise) of the Company.

Listing Rules means the listing rules of ASX.

Meeting has the meaning in the introductory paragraph of the Notice.

Notice means this notice of meeting.

Option means an option to acquire a Share.

Proxy Form means the proxy form attached to the Notice.

Remuneration Report means the remuneration report of the Company contained in the Directors' Report.

Resolution means a resolution contained in the Notice.

Schedule means a schedule to this Notice.

Section means a section contained in this Explanatory Memorandum.

Share means a fully paid ordinary share in the capital of the Company.

Shareholder means a shareholder of the Company.

Trading Day means a day determined by ASX to be a trading day in accordance with the Listing Rules.

VWAP means volume weighted average price.

WST means Western Standard Time, being the time in Perth, Western Australia.

In this Notice and the Explanatory Memorandum words importing the singular include the plural and vice versa.
