ASX extension granted - further information

Further to the Company's announcement of 24 December 2015 that the ASX had extended the Company's de-listing deadline to 8 March 2016 the Company advises the following:

- the extension was granted on the basis that the Company is in the final stages of completing the acquisition of Global Agenda Technologies Pty Ltd; and
- should the Company's securities not be reinstated to quotation by the commencement of trading on 8 March 2016, ASX will immediately remove the Company from the official list from the open of trading on that day and no further extensions will be permitted.

For further information about the de-listing deadline see the note to the Indicative Timetable set out in the Company's prospectus dated 8 December 2015.
