

ETFS Metal Securities Australia Limited (the “Issuer”)

5 February 2016

The Issuer announces that it has changed its auditors from Deloitte Touche Tohmatsu to KPMG.

The Issuer confirms that the change in auditor to KPMG as detailed in the Prospectus dated 21 January 2016 is effective from the date of this announcement.

The review of the audit relationship was made in the interest of good governance and in conducting their review the directors of the Issuer considered both the services provided and fees charged by the prospective auditors. The change of auditors is not as a result of any actual or perceived disagreement, difference of opinion or problem with the previous audit relationship with Deloitte Touche Tohmatsu.
