**ASX Announcement and Press Release**

**iCandy Interactive's unit Appxplore awarded coveted "Top Developer" accolade by Google Play**

iCandy Interactive Limited (ASX:ICI) is pleased to announce that its subsidiary Appxplore has been awarded a "Top Developer" badge on the Google Play store.

Awarded by the Google Play editorial staff, the Top Developer badge recognizes "established, respected developers for their commitment to launching high-quality and innovative apps on Android."

Founded in 2011, Appxplore focuses on providing high-quality and original mobile game IPs. To date, Appxplore has developed and published five world-class mobile games - Alien Hive, Mobfish Hunter, Sporos, Caveboy Escape and Lightopus on two major platforms – Apple iTunes and Google Play.

Appxplore has announced their upcoming games - Crab War, Alien Path and Carneyvale available in Q1 2016.
