# Industry Fundamentals Remain Strong

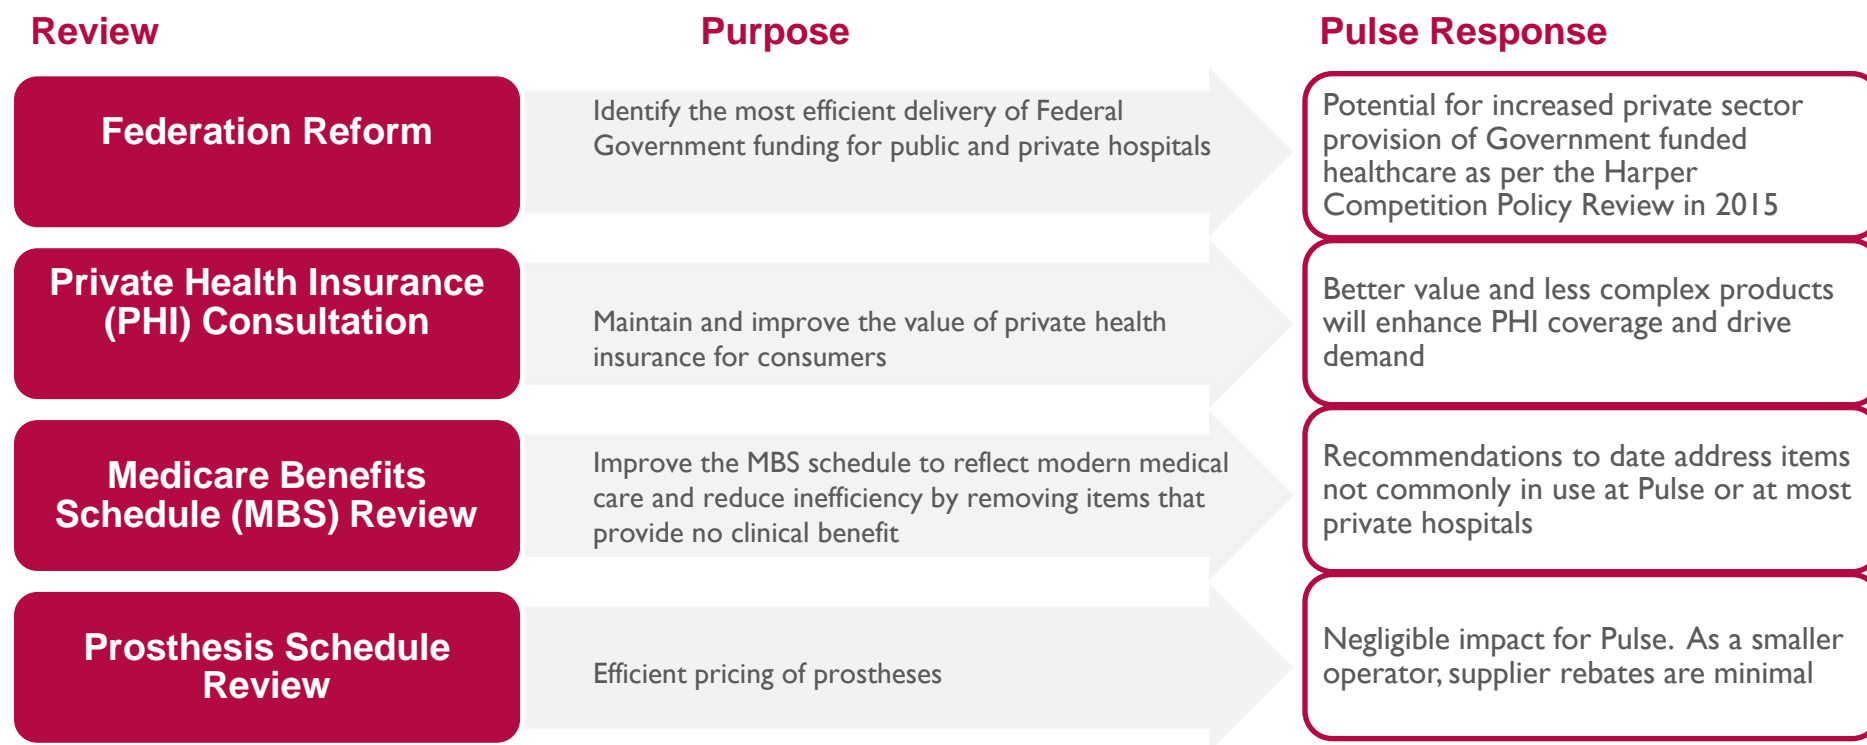

- Ageing population – baby boomer demand growth yet to hit the sector
- Growing chronic disease burden
- Developments in medical technology
- Public hospitals under increasing pressure
- Government policy continues to incentivise private healthcare usage

# Regulatory Reviews

- Driven by growing pressure on public hospitals as well as public and private healthcare affordability and efficiency of service delivery
- While early in the review process, information to date indicates no negative material impact for Pulse and potential upside opportunities

# Pulse Outlook

- FY16 **Underlying EBITDA<sup>(1)</sup> guidance** reaffirmed at more than \$10.2m from existing assets and **upgraded to \$11.4m** with contribution from acquisitions to complete in 2H16
- **Gold Coast ramping up** to make a contribution in 1H17
- Pulse expects to complete on the remaining 6 new hospitals in 2H16, bringing **total assets to 15**
- Pulse continues to progress execution of a **robust pipeline of strongly accretive acquisitions**, of mental health and surgical hospitals and day surgeries

1. Underlying EBITDA and NPAT (before significant items) excludes ramp-up costs associated with the Gold Coast Surgical Hospital and one-off costs of execution of our acquisition pipeline – Refer appendix 2
