Company Update

ORH Limited ("ORH" or the "Company") advises that the fund raising undertaken by the Company has been delayed as the directors continue discussions with potential funding partners in China.

In the interim, the Company is reducing costs where possible, reviewing the business for potential outsourcing opportunities and reviewing the possibility of expanding its product range.

ORH has received interim funding which has enabled the Company to fund itself in the short term. The Chairman is currently in China to further funding discussions.

The Company anticipates updating the market within the next 6 weeks.
